

A copy of the data tracked pursuant to the requirements of this Section regarding intra-District student transfers and transfers to and from charters, private schools, home schooling and public school districts outside of the District. USP Section II.K(1)(l)

# Appendix 20

This report is a whole year report and no numbers are directly comparable to beginning of year or end of year enrollment. The same student may appear in multiple lines and in both the In and Out columns.

As far as the ethnic coding, the most current race/ethnicity data known for students was used and applied using current desegregation race/ethnicity assignment rules. Data was used consistently but the further back the report is in years, the less likely the district was to have updated race/ethnicity data on students.

“TUSD In” means that their last record was at a different TUSD school or for a different school year. It includes students who finished the previous year at TUSD. “TUSD Out” includes students that leave school due to the end of the school year as well as students leaving TUSD for another (non-TUSD) school during the year.
