Hi Ignacio,

The State Board will take authority as soon as the bill becomes law which is 90 days after the legislative session closes.

Hello Kelly,

Hope all is well. When does the State Board receive authority for ELL models?

Good Afternoon Ignacio,

Upon closer review of your request we realize that you are requesting approval for an alternate model. The request for an alternate model requires the approval from the ELL Task Force which provides approval until the authority is transferred to the State Board of Education when HB 2425 becomes law. I have forwarded your request for an alternate model to the chairman of the ELL Task Force.

Thank you,
Kelly

Dear Associate Superintendent Hrabluk:

In compliance with the four-year Unitary Status Plan developed as part of the U.S. District Court consent decree referenced in the attachment provided, We mailed a request / proposal, back in April for the implementation of a Reading Extension option for English Language Development.

The proposed option would be available to ELL students in our schools' English Language Development programs, starting with a pilot option at certain schools for the 2013-2014 school year, with full implementation in the 2014-2015 school year.

Just wanted to follow up, if you needed any other information pertaining to our request.

Thank you,

Ignacio Ruiz
