Greetings! Enclosed is the Magnet Pipeline Continuation Form for «Name» who is currently attending 5 or 8 grade at «School» as a TUSD magnet student. Complete and return the attached form by October 31, 2014, to confirm the selection of your student's school in the Magnet Pipeline for next year. Failure to return the attached form by October 31, 2014, will result in your student's seat being given to another student.

In addition to their home school, parents who prefer not to participate in the magnet pipeline placement are encouraged to consider other open enrollment/magnet options. School Community Services will start accepting applications for Open Enrollment/Magnet for 2015-2016 school year, on November 3rd through December 12, 2014.

If you accept a Magnet Pipeline placement now and your student later gets accepted to another school or program such as self-contained GATE or University High, please contact School Community Services and inform us of your choice at 225-6400.

¡Saludos! Adjunto encontrará la Forma Magnet Pipeline Continuation para «Name» que actualmente asiste al grado 5 o 8 en «School» como un estudiante magnet de TUSD. Llene y regrese la forma anexa para el 31 de Octubre, 2014, para confirmar la selección de la escuela de su estudiante en la Magnet Pipeline para el próximo año. El no regresar esta forma anexa para el 31 de Octubre de 2014 causará que el lugar de su estudiante sea asignado a otro estudiante.

Además de la escuela de su vecindario, los Padres que no prefieren participar en la colocación de magnet pipeline, se les invita a considerar otras opciones de matrícula abierta/magnet. El Departamento de Servicios Comunitarios de las Escuelas va a empezar a aceptar solicitudes de matrícula abierta/magnet para el año escolar 2015-2016, a partir del día 3 de Noviembre hasta el día 12 de Diciembre de 2014.

Si acepta la colocación Magnet Pipeline ahora y su estudiante es aceptado después en otra escuela o programa, tales como del GATE o de University High, por favor, comuníquese con School Community Services e infórmenos de su elección.

Dear Parent(s)/ Guardian(s):

Regretfully, «Student_Name» has not been selected by the School Choice Lottery for the «Class_Year_Display» school year. There are currently no available seats at the grade and school(s) for which you applied. The application will remain open throughout the first semester of the school year and the beginning of the second semester. If seats become available in your choice of schools during this time and your child is selected, you will be notified by phone or by mail.

If you have not received notification of placement by October 28, 2014, we suggest you apply for the 2015-2016 school year. You may submit an application between Nov. 3, 2014 – Dec. 12, 2014, to be eligible for the first round lottery selection, for the 2015-2016 school year.

Please contact School Community Services at 225-6400 if you have any questions.

Desafortunadamente, «Student_Name» no fue seleccionado por la Lotería de Opciones para escuelas por el año escolar «Class_Year_Display». En la actualidad no hay más lugares disponibles para el grado y escuela(s) que usted solicitó. La solicitud permanecerá activa durante el primer semestre del año escolar y al comienzo del segundo semestre. Si en el futuro tenemos más lugares para una de las escuelas que solicitó durante este tiempo y su hijo(a) ha sido seleccionado, se le notificará por teléfono o por correo.

Si usted no recibe la notificación de colocación a más tardar el 28 de Octubre 2014, sugerimos que solicite otra vez para el año escolar 2015-2016. Es recomendable que envíe o traiga una solicitud entre el 3 de Nov. 2014 – 12 de Dic. de 2014, para que pueda ser elegible en la primera ronda de selección de la Lotería para el año escolar 2015-2016.

Por favor llame al Departamento de School Community Services al 225-6400 por si Usted tiene alguna otra pregunta.

Additional lottery drawings will be held frequently throughout the enrollment process for the 2015-2016 school year. Your student's application will continue to be included in all future drawings for consideration of their first choice school.

Please be assured your student will have many more opportunities to be offered placement at their first choice school. Enhanced opportunities for placement occur for many reasons, thereby creating unexpected openings at many of our schools. Please feel free to contact School Community Services if you have questions or concerns regarding the status of your student's application. We look forward to hopefully offering your student an opportunity for placement in the near future.

Las oportunidades para la colocación ocurren por muchas razones, creando aperturas inesperadas en muchas de nuestras escuelas. Por favor no dude en llamar a Servicios Comunitarios de las Escuelas si Usted tiene más preguntas relacionado a la solicitud de su estudiante. Esperamos ofrecer a su estudiante la posibilidad de colocarlo en una escuela en un futuro próximo.
