Dear Parent(s)/Guardians:

TUSD's African American Student Services Department is interested in hearing what parents believe should be priorities for our department and how we can best provide support to your child/children. Below is a set of questions and a place for additional input to give our department insight into the needs of our African American students.

We appreciate your participation as we work to strengthen our advocacy efforts to better serve students. If you have questions, please give our office a call at 731-7700 or e-mail me directly to jimmy.hart@tusd1.org.
