

School Year 2014-2015 Quarterly Discipline Data Analysis

In the 2014-15 school year, an overall review of the data for elementary, middle/K-8 and high schools resulted in a decrease in the number of students receiving discipline in three of the four categories compared to the 2013-14 school year. In-school discipline decreased by 15% overall; in-school suspension decreased by 20% overall; and long-term suspensions decreased by 13% overall. The number of short-term suspensions actually increased by 15% overall.
