

ASSESSMENTS, ANALYSES AND PLANS DEVELOPED

VII.E.1.b

Between the months of November and December of 2014 (10) MASS Specialists attended Principal sponsored Parent Cafecitos and other School events and conducted a survey for parents and students. Sixty-nine (69) responses were collected and tallied. Below is the summary and type of responses collected for all 4 questions that were asked in the surveys at Holladay Magnet Elementary, Tolson Elementary, Pistor Middle, Pueblo Magnet High, Cholla Magnet High, Lynn/Urquides Elementary, Utterback Middle, Valencia Middle, Morgan Maxwell K-8 and Ochoa Community Magnet School.

The families would like to get training at the Family Resource Centers in the areas of: organizational support, time management classes, Love and Logic class, internet at home, help with high school credit recovery, no students excluded, family time ideas, fees for sports Parent Day (acknowledgement), information on immigration, nutrition education, communication strategies, parent involvement, support for students with mental illness.

The parents would also like to see these additional classes and have access to information at the Family Resource Centers for the following: summer classes for students, parents and elderly, workshops to help students succeed, transportation, Spanish books, comfortable atmosphere, information for free resources, TUSD Stats/information, GED classes. Additional things they would like to see at the Family Resource Centers, no waiting list for bilingual students, opportunities for teens to connect with younger students, Sun Tran bus services, resources on need basis, cooking classes for adults, activities for student's afterschool, art classes and childcare, bilingual personnel, on-judgmental staff, and doctor on call.
