Two-Way Dual Language

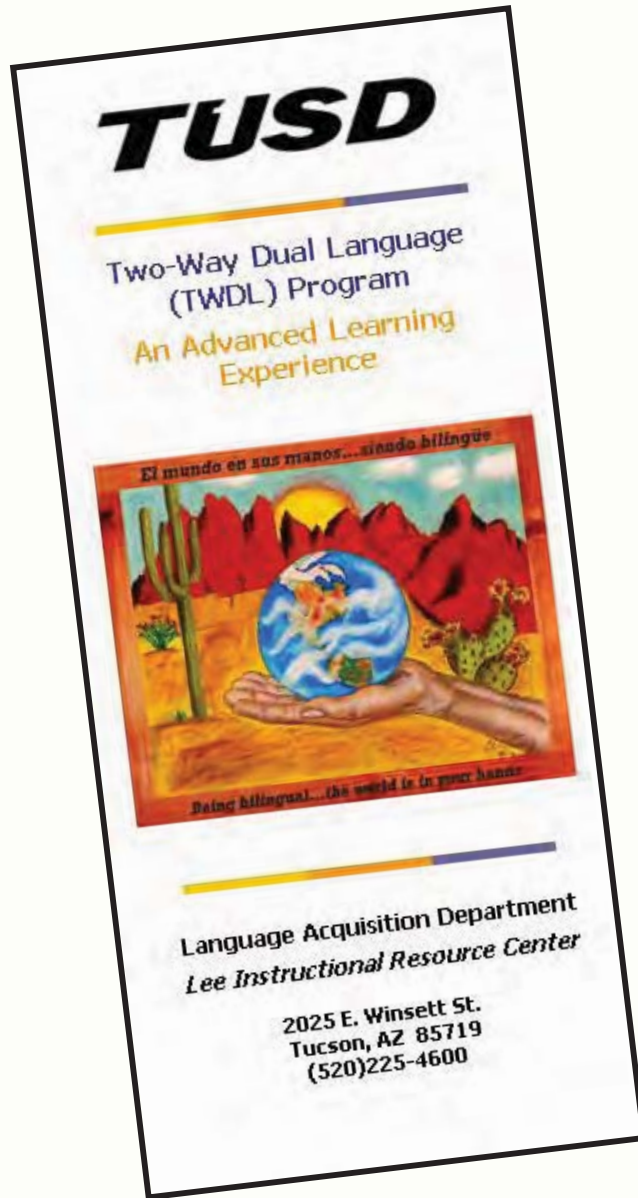

- Additive model that involves some sort of dual language instruction, where Spanish is used at least 50% of the instructional day.
- Two-Way Dual Language Program Goal

To provide instruction for cognitive and linguistic development in two languages for all students who enroll with the educational goals of bilingualism, biliteracy and multiculturalism.

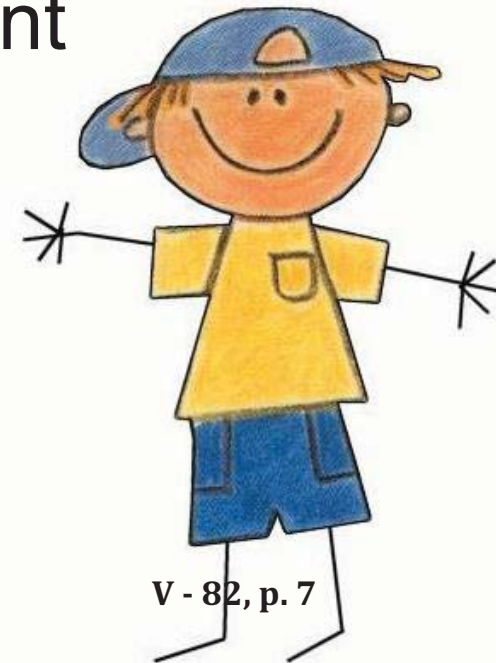

V - 82, p. 6

TWDL Program Model

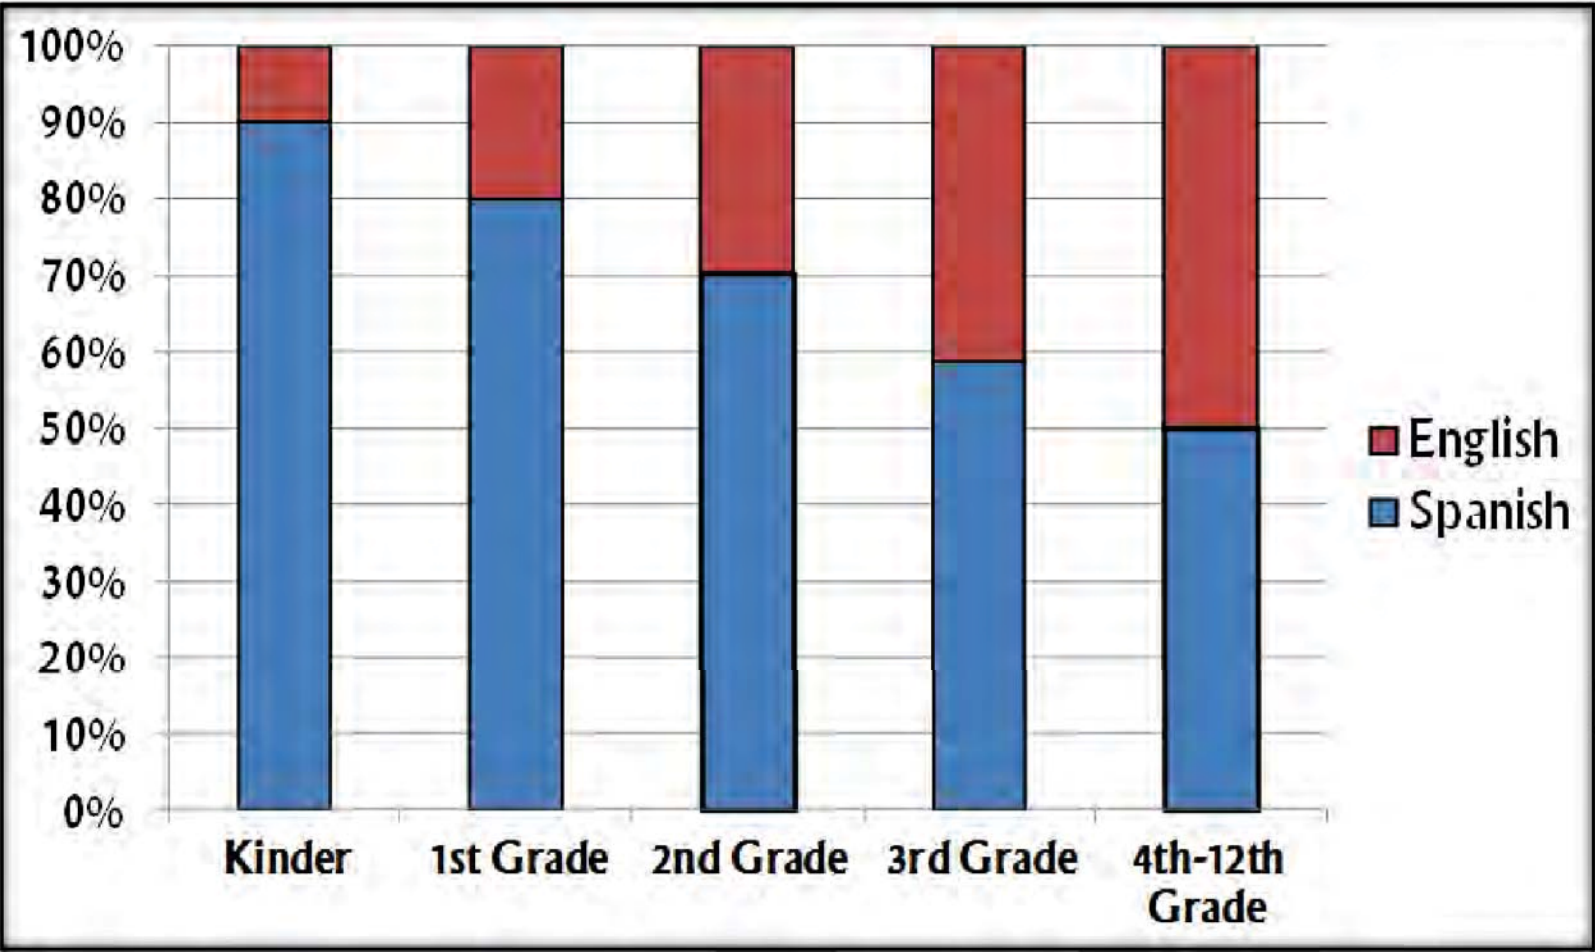

Dual Language Program participation maintains the same curriculum as in the Traditional/Mainstream classroom with the goal of rigor, student achievement and instruction in all content areas in a bilingual setting.

V - 82, p. 7

TWDL in TUSD and Roskruge

In 90:10 programs begin reading instruction in Spanish first and add English later (2nd grade)
