General Summary of Meeting

At end of the school year Mrs. Fimbres held strong feelings that students should be retained in Kindergarten because they were both developmentally young and had not mastered the Core Curriculum in Kindergarten. Both parents declined the opportunity to have them retained. The students will be monitored next year after an adjustment period in First Grade and support will be given to them as needed. _____parents are working with the Assurance Agency over the summer. LSC, Marcia Wolf had the parents make contact with this agency at the Parent Informational Fair at C. E. Rose on May 17th, 2016.
