

APPENDIX II – 51

#TeamTUSD

Drachman Montessori Magnet

Check out the staff at Drachman K-8 Montessori Magnet and their "peaceful" message.

Principal Jesus Celaya has this to say: The Drachman staff inspires children and adults to be "Responsible and Peaceful!" (Drachman's Mission).

Drachman Montessori believes that in order for students to reach their fullest potential, the whole child must be nurtured. This means it is necessary to give attention to the reader, mathematician, scientist, athlete, artist, and musician in each child.

Drachman's "A" rating from the Arizona Department of Education, its national designation as a Magnet School of Excellence and its National Blue Ribbon Award from the United States Department of Education are tremendous honors that were awarded to the school because of the staff's passion for education and love for inspiring learning in Tucson Unified.

#TeamTUSD

Cholla High JROTC

Members of Cholla High School's JROTC take pride in their work with the Army. The Army Junior Reserve Officers Training Corps program focuses on character education, student achievement, wellness, leadership and diversity. The JROTC program teaches students to act with integrity and personal accountability, engage in civic and social concerns, graduate prepared for college and careers, make decisions to promote positive social emotional and physical health and value the role of the military and other service organizations. We are proud to feature Cholla's JROTC program in #TeamTUSD!

What's #TeamTUSD?

It's all part of an initiative to highlight all of the great people who come together in our district, and we would love to have your team participate as well. Fill out the form below, or drop us an email at media@tusd.org to get the ball rolling on your team or nominate a team you see doing great things.

#TeamTUSD

University High Travel Club

The University High School Travel Club spent Spring Break in Italy, Switzerland and France. The group of chaperons and 30 students left Tucson on March 18 and touched down in Milan on March 19. They spent several days in Italy, then went to Lucerne, Switzerland, and finished their trip in Paris, returning on March 26. The trip was organized by Meg Tully, who teaches AP European history at the school, and students got to see some of the places they have learned about in person.

Thanks to the group for asking to pack #TeamTUSD signs and take them all the way to Paris!

If you have a group that is hitting the road, whether it's somewhere in Arizona, in the U.S. or overseas and would like to take a #TeamTUSD photo, let us know. We will get you signs that are easy to pack and take along.
