509	Multicultural Curriculum	V.E.6.a-i	Summer PD 2017_USP: Multicultural Literature in the Elementary Classroom #13312	The primary focus of this professional development is to explore the role of multicultural children's literature in the elementary classroom. Both multicultural literature and curricular engagements that bring students and books together will be explored through professional readings, discussions,	Cert: 36 Class: 2	24 Hours	NC	Julia Hillman; Junko Sakoi	6/5/17 - 6/8/17	LIRC PD Room	Available upon request
509	Multicultural Curriculum	V.E.6.a-i	26th Annual National Association for Multicultural Education Conference	RT (Deseg) NAME aims to transform society for the betterment of ALL individuals. This calls for a collective of ALL to explore the inequities present in our society. NAME values the experiences and voices of individuals who have been silenced or have been omitted from mainstream literature, media, and history. In our efforts toward a just society, we pursue to uncover political injustices that influence geographical and environmental racism, oppression, and violence. Therefore, the NAME 2016 conference will amplify the voices of those who suffer marginalization in various forms; and in doing so expose inequities that are ignored and silenced.	Cert: 1	24 Hours	$1,528.43	Multiple facilitators	11/9/16 - 11/12/16	Cleveland, OH	Available upon request
509	Multicultural Curriculum	V.E.6.a-i	USP: Multicultural Book Club SY 16-17 #13310	The purpose of this book club is to give participants an opportunity to explore multicultural literature; the authors, illustrators, and poets who write multicultural stories; and the resources available on multicultural literature. These experiences will provide a foundation for using multicultural literature in the classroom. The primary learning intent is to facilitate participants' exploration of multicultural literature for students in way that is personally meaningful to them. Strategies for using literature will be experienced as they interact with books and each other. Participants will experience literature discussions, read about and discuss theory, research and practice, and share from their experiences with students and literature. They are encouraged to explore issues about literature discussion related to their current understandings, concerns, classroom settings, and educational responsibilities. They create lesson plans using multicultural literature. They explore the role of multicultural literature across the content areas. By the end of this session, participants will be able to: • gain a better understanding of themselves as readers and of how to engage in personal and critical response to literature. • develop a broad knowledge of the various genres and themes of multicultural literature. • become familiar with the lives and works of major multicultural authors, illustrators, and poets. • understand the role of multicultural literature across the content areas. • gain strategies for an interdisciplinary approach to investigating multicultural literature. • create lesson plans through integration of response strategies and engagements using multicultural literature.
