Footnote #1: Due to the small number of faculty these sites will be combined and ideally be provided release time to assist the 8 CRPD sessions at a central location. Sites include: Santa Rita, Mary Meredith K-12, Project MORE, AGAVE Middle and High School, and Teenage Parent High School

Footnote #2: Ideally each team should have 4 sites to equal 32 total sessions @ 8 sessions per site. This number allows for flexibility given that there are 36 available Wednesday's for trainings.
