#TeamTUSD: Drachman K-8 Montessori Magnet

Check out the staff at Drachman K-8 Montessori Magnet and their "peaceful" message. Principal Jesus Celaya has this to say: The Drachman staff inspires children and adults to be "Responsible and Peaceful!" (Drachman's Mission). Drachman Montessori believes that in order for students to reach their fullest potential, the "whole child" must be nurtured. This means it is necessary to give attention to the reader, mathematician, scientist, athlete, artist, and musician in each child. Drachman's "A" rating from the Arizona Department of Education, its national designation as a Magnet School of Excellence and its National Blue Ribbon Award from the United States Department of Education are tremendous honors that were awarded to the school because of the staff's passion for education and love for inspiring learning in Tucson Unified. voting. Go to www.recorder.pima.gov or call 520-724-4330.

Here are some key facts courtesy of the League of Women Voters of Greater Tucson about registering to vote:

- If your driver's license or state ID has your current address, you can register online at www.servicearizona.com. Otherwise, mail in a voter registration form. If you do not have a driver's license or state ID, you will need to include proof of citizenship.
- You can pick up a voter registration form at libraries and post offices, or print a form at www.recorder.pima.gov, click on Registering to Vote. Mail it to the address listed.
- If you moved or changed your name since you registered to vote, you need to update your voter registration online or submit a new form.
- Teens who will turn 18 by November 8 can register now.
- If you want to check your voter registration status, go to www.recorder.pima.gov and click on Check Your Registration.

We have had some very close elections, so every vote matters. People who don't vote are letting other citizens decide about things that affect us every day. Find out which candidates will fight for things that matter to you, and use your vote!
