### Schools Closed through End of this School Year

Dr. Trujillo has announced that per Governor Ducey and Superintendent Hoffman's decision today, March 30th, that schools will remain closed for the balance of the year, through May 22, 2020. For the remainder of the year, our students will continue to use the Learn From Home curriculum that they are starting to use with their teachers this week.

At the upcoming April 7th Governing Board meeting the District will be determining the grading policy for the rest of the year, as well as, graduation and promotion requirements.

See Governor Ducey's announcement for more information about statewide school closures: <https://azgovernor.gov/governor/news/2020/03/governor-ducey-superintendent-hoffman-announce-extension-school-closures>.
