Director's Note - María Federico Brummer, M.Ed.

Our families and community members,

Today there is much hope for the future of our students and their families having gone through a year of uncertainty, grief, and struggle. During this school year, the pandemic brought our Tucson Unified community together in extraordinary ways. It is with much appreciation that we have been able to serve so many families districtwide. As our students have begun learning in classrooms again along with their peers online, our department continues to create more opportunities for our parents and community members to connect to the wonderful resources we have in Tucson Unified.

Heading up to the last stretch of this school year, our department would like to recognize two of our amazing staff members who are advancing on to the University of Arizona, Dominique Calza and Connie Lira-Saavedra. Dominique started as a driving force in our department five years ago and will leave an irreplaceable void to fill. As our program coordinator, her servant leadership grounded our staff in a deeply rooted respect for our community. In her new role as the director of the Adalberto & Ana Guerrero Student Center, we have a strong partner committed to bridging our students to the university. Additionally, Connie will serve well as a liaison for our department as an early academic outreach coordinator in Educational Policy Studies and Practices. We will truly miss her hard-working advocacy as our college & career-readiness program specialist.

As the Mexican American Student Services department, we move forward to continue our partnerships with parents and our community to ensure that our students succeed.

Honored to support our students every day,

María C. Federico Brummer, M.Ed.
Director, Mexican American Student Services

Nuestras familias y miembros de la comunidad,

Hoy hay mucha esperanza para el futuro de nuestros estudiantes y sus familias después de haber pasado por un año de incertidumbre, dolor y lucha. Durante este año escolar, la pandemia unió a nuestra comunidad unificada de Tucson de maneras extraordinarias. Es con mucho aprecio que hayamos podido servir a tantas familias en todo el distrito. A medida que nuestros estudiantes han comenzado a aprender en las aulas nuevamente junto con sus compañeros en línea, nuestro departamento continúa creando más oportunidades para que nuestros padres y miembros de la comunidad se conecten a los maravillosos recursos que tenemos en el Distrito Escolar Unificado de Tucson.

Preparándonos para el último tramo de este año escolar, nuestro departamento desea reconocer a dos de nuestros increíbles miembros del personal que están avanzando hacia la Universidad de Arizona, Dominique Calza y Connie Lira-Saavedra. Dominique comenzó como una fuerza impulsora en nuestro departamento hace cinco años y dejará un vacío insustituible que llenar. Como coordinadora de nuestro programa, su liderazgo de servicio basó a nuestro personal en un respeto profundamente arraigado por nuestra comunidad. En su nuevo rol como directora del Centro de Estudiantes Adalberto & Ana Guerrero, tenemos un socio fuerte comprometido a acercar a nuestros estudiantes a la universidad. Además, Connie servirá como enlace para nuestro departamento como coordinadora de alcance académico temprano en Estudios y Prácticas de Política Educativa. Realmente extrañaremos su laboriosa defensa como nuestra especialista en programas de preparación universitaria y profesional.

Como departamento de Servicios para Estudiantes México-Americanos, seguimos adelante para continuar nuestras asociaciones con los padres y nuestra comunidad para asegurar que nuestros estudiantes tengan éxito.

Honrado de apoyar a nuestros estudiantes todos los días,

María C. Federico Brummer, M.Ed.
Directora, Servicios para Estudiantes México-Americanos

Meet Guillermina Torres - Program Specialist

What is your favorite thing to do in Tucson, Arizona? Something that I enjoy the most in Tucson is the Multicultural festivals that are offered throughout the year in the community.

The best vacation I have ever taken: The best vacation I ever had was when my husband and I drove from Tucson, AZ to Toronto, Canada because we were able to visit places that we could have never imagined that existed or would not visit if we didn't take that road trip.

My favorite quote is: "Si Se Puede" / "Yes, We Can" - Cesar Chavez

Summer or Winter, and why: I Love winter because I enjoy spending time with my family celebrating our traditions and I also enjoy decorating my house to make it cozy for my family.

My favorite thing about working at Mexican American Student Services Department is: I love the opportunity to work with our Mexican American/Latino students and families. Letting them know that there could be lots of challenges but that they have rights and that we are there to support them.

¿Qué es lo que más te gusta hacer en Tucson, Arizona? Algo que más disfruto en Tucson son los festivales multiculturales que se ofrecen durante todo el año en la comunidad.

Las mejores vacaciones que he tenido: Las mejores vacaciones que tuve fueron cuando mi esposo y yo condujimos desde Tucson, AZ a Toronto, Canadá porque pudimos visitar lugares que nunca hubiéramos imaginado que existieran o que no hubiéramos visitado si no viéramos tomado el viaje.

Mi cita favorita es: "Si Se Puede" / "Yes, We Can" - Cesar Chavez

Verano o invierno, y por qué: Me encanta el invierno porque disfruto pasar tiempo con mi familia celebrando nuestras tradiciones y también disfruto decorando mi casa para que sea acogedora para mi familia.

Lo que más me gusta de trabajar en el Departamento de Servicios Estudiantiles Mexicanos Americanos es: Me encanta la oportunidad de trabajar con nuestros estudiantes y familias mexicoamericanas/latinas. Haciéndoles saber que puede haber muchos desafíos, pero que tienen derechos y que estamos allí para apoyarlos.
