1 **SPECIAL MASTER’S REPORT AND**
2 **RECOMMENDATION WITH RESPECT TO HOLLADAY**

3 **Overview**

4 In the most recent review of the extent to which magnet schools in TUSD met the criteria
5 for integration and academic performance, the Special Master recommended that the magnet
6 status of several schools, including Roskruge and Holladay, be subject to the District’s
7 development of plans to improve the academic performance of the students in the schools. All of
8 these schools, except Roskruge and Holladay, were returned to full magnet status based on plans
9 developed by the District to improve the academic performance of students in each school.
10 Because Roskruge is a dual language school and because the District recommended that its
11 magnet status be withdrawn and boundaries changed, Roskruge has been considered separately
12 and its magnet status remains in place.

13
14 *Recommendation*

15 The District has developed a sensible plan to improve the academic performance of the
16 students at Holladay. Therefore, the magnet status of Holladay should be sustained and
17 confirmed.
