TUCSON UNIFIED SCHOOL DISTRICT NO. 1 NOTES TO THE SCHEDULE OF DESESGREGATION EXPENDITURES – BUDGET AND ACTUAL YEAR ENDED JUNE 30, 2015

Summary of Desegregation Funding

Arizona Revised Statutes (A.R.S.) Section 15-910(G) permits the Tucson Unified School District No. 1's (District) Governing Board to budget for expenses of complying with or continuing to implement activities which were required or permitted by a court order of desegregation or administrative agreement with the United States Department of Education Office for Civil Rights directed toward remediating alleged or proven racial discrimination.

Based on court orders and A.R.S. 15-910(G), the District uses desegregation funding in the following ways:

- 1. For expenses of complying with or continuing to implement activities which were required or permitted by the Unitary Status Plan (USP), a consent decree submitted through the U.S. District Court for the District of Arizona through a desegregation court order, and related desegregation court orders.
- 2. For expenses of complying with or continuing to implement activities which were required or permitted by an administrative agreement with the United States Department of Education Office for Civil Rights directed toward remediating alleged or proving racial discrimination.
- 3. For expenses related to implementation and operation of the English Language Learner program.

Basis of Accounting

The Schedule is reported using the current financial resources measurement focus and the modified accrual basis of accounting. Expenditures generally are recorded when a liability is incurred. However, expenditures related to compensated absences, and claims and judgments, are recorded only when payment is due.

Allocation of Expenditures

The budget of desegregation expenditures for the year ended 2015 was initially developed utilizing fifteen project codes to account for the desegregation expenditures within the District's accounting system. As part of the implementation process of the USP, the Special Master created an Implementation Addendum that outlined twelve summary level activities with detail subsections to improve alignment of the desegregation budget to the USP. The District was notified at the end of fiscal year 2014 that expenditures must be reported based on the Implementation Addendum reporting requirements that includes 67 newly created activity codes.

TUCSON UNIFIED SCHOOL DISTRICT NO. 1 NOTES TO THE SCHEDULE OF DESESGREGATION EXPENDITURES – BUDGET AND ACTUAL YEAR ENDED JUNE 30, 2015

Allocation of Expenditures

As the desegregation expenditures were not recorded in the District's accounting system to the detail level outlined in the Implementation Addendum, an allocation for both the budget and actual expenditures was applied by the District management to achieve the required reporting of the Implementation Addendum.

The allocation was completed based on the detailed expenditures within the activity codes, and how the expenditures most appropriately aligned with the master budget file based on the corresponding Implementation Addendum activity number. Wherever possible, a 1:1 relationship was established to avoid allocations between object codes. A pro-rata allocation to the applicable Implementation Addendum line item was performed for budget codes that did not have a 1:1 relationship. The allocations were based on management estimations of the proportionate amount of funds expended for each activity.

Budget Variances

Significant variances noted in the Schedule of Desegregation Expenditures – Budget and Actual are primarily due (1) budgeted positions within the Desegregation program that were unfilled throughout the year, and (2) Desegregation programs implementation that were delayed.

TUCSON UNIFIED SCHOOL DISTRICT NO. 1 SCHEDULE OF FINDINGS OF EXAMINATION YEAR ENDED JUNE 30, 2015

The District was required to spend \$4,982,304 in non-910(G) funding in fiscal year 2014-15 from the Maintenance and Operations budget as part of an agreement to use unexpended funds from the prior year. However, total expenditures amounted to \$3,684,931.

Budgeted	Expenditures	Variance
\$4,982,304	\$3,684,931	\$1,297,373

Management's Response:

In fiscal year 2013-14 an under expenditure of \$4,982,304 in Desegregation/Maintenance and Operations funds was identified. By mutual agreement of the parties this unexpended balance was charged to overhead in fiscal year 2013-14 with the understanding that the same amount was to be earmarked for USP expenditures in the District's fiscal year 2014-15 Maintenance and Operations budget. An expenditure plan was to be established through mutual agreement of the parties. The expenditure plan was approved in February 2015 with a total of \$4,881,000 allocated as follows:

Leveled Library Materials	\$ 1,610,000
Magnet Plan Support for select schools TBD to include Red Zone	500,000
Marketing Support	
Culturally Relevant Courses and Multicultural Curriculum/PD Support	250,000
10-12 Reading Recovery Teachers	750,000
Technology/Computer Carts	1,771,000

A total of \$101,304 was not allocated in the approved expenditure plan.

In fiscal year 2014-15, a total of \$3,684,931 was spent leaving \$1,297,373 unspent. The delay in the approval of the expenditure plan played a major role in the district's ability to spend these funds by the end of the fiscal year. The unexpended balance was mainly due to \$750,000 allocated for reading recovery teachers that were not filled until the 2015-16 fiscal year. In addition, \$300,000 and \$130,000 were unspent for magnet red zone marketing and culturally relevant professional development respectively.
