Dear Parent,

The National Society of Black Engineers (NSBE) has a rewarding and exciting opportunity to offer your child who may one day be interested in pursuing degrees/careers with STEM (Science, Technology, Engineering, and Math) related concentrations. NSBE is a non-profit organization dedicated to supporting African American students who are interested in future technical studies. In our more than 30 years of existence, NSBE has been represented by more than 350 universities and solid programs that encourage academic excellence, personal growth, and professional development.

NSBE strives to stimulate student interest in technical fields such as science, mathematics, and engineering. In response to the lack of African Americans pursuing degrees in engineering and science, we serve as a source of support to encourage students to attend college and pursue technical degrees. In this spirit, our Pre-College Initiative (PCI) Program is designed to address the following goals:

- To help students develop positive attitudes toward academic excellence
- To stimulate enthusiasm about engineering and science
- To raise cultural awareness among students
- To encourage and support parental commitment to their children's education
- To increase the number of African American students attending and graduating from college, especially in the field of engineering and science
- To utilize NSBE undergraduate student members and professional alumni members as role models

The PCI program is structured so that your child becomes an active member of NSBE Jr. Chapters throughout the country. As a part of a NSBE Jr. Chapter, your child can enjoy a wide range of activities offered through the PCI program. By accepting this invitation to involve your child in a NSBE Jr. Chapter, you will establish a partnership with our more than 10,000 collegiate and professional members. Our members team up to offer your child activities that will enhance his/her academic and professional development.

Be sure to review the NSBE Jr. Constitution and by-laws at www.nsbe.org. If you need additional information please visit our website at www.nsbe.org or contact me. **The registration fee for your child is \$5 annually.** If paying by check, please make them payable to NSBE Tucson Alumni Extension.

Sincerely,

Khary Tatum
