Buenas tardes/buena afternoon!

As part of our effort to provide you with resources, we invite you to take advantage of our professional learning opportunities. As teachers, we rarely get the chance to observe a colleague and have critical conversations about pedagogy and curriculum. We encourage you to visit one of your colleagues across the district. There are some great things going on in our CR classes.

Our department will provide you with release time to travel to and observe another CR teacher. If this sounds like something you might be interested in, please respond to this email requesting the opportunity. If you don’t have a preference as to who to observe, we can arrange a visit to one of our more experienced CR teachers. If you would like to invite others to visit your class, please let us know so that we may relay the message.

Thank you for all you do.

Humbly,

Lorenzo Lopez Jr.
