Subject: Teacher Ed Students seeking employment

Hi Cruz,

These are the students that I heard back from whom were interested in working at TUSD. They should all graduate next school year and they are all intern certificate eligible. I have attached the intent to hire for both Secondary and Elementary to make sure that the possible positions would be intern cert eligible. If they are in a Elementary class it must be a multiple subject classroom. Therefore, they could teach all subject to ELL like a traditional classroom but they could not just teach English. Secondary students can only teach the subject they have taken the NES test for. Many are game to take a second test, so they could teach two subjects but it can't be a class where they are teaching all subject to ELL students.

My coworker, Cindy Arnold, works with student teachers and has send your information to all recent graduates.

If you have any Parapros or long term subs that you want to hire on an intern cert. I have attached Admission requirements. The key ones are bachelor's degree, NES test, and SEI class.

Nina Hipps: [7littlehippies@gmail.com](mailto:7littlehippies@gmail.com), 520-240-4266, Elementary (speaks a little Spanish and would be comfortable in a ELL)

Catherine Leister: [cleister@mail.pima.edu](mailto:cleister@mail.pima.edu), 928-710-2597, Elementary (speaks conversational Spanish and would love ELL)

Jodee Fritz: [jodeefritz@aol.com](mailto:jodeefritz@aol.com), 520-603-2651, Elementary (No Spanish but her ultimate goal is to teach ELL)

Bryanna Botham: [b\\_botham@hotmail.com](mailto:b_botham@hotmail.com), 520-240-8319, Secondary- English (Did apply at TUSD and is receiving offers)

Thanks for thinking of our students. Let me know if you have any questions,
