Subject: Request for Student Registration Assistance (Summer Experience)

Message | Sum Ex- 2nd and 3rd MOY DIBELS and Q3 MP.xls (474 KB) | 5th Grade\_I25.xlsx (163 KB)

Hi, Student Services Team!  
It's that time of year ☺  
Schools have started to send us their student registrations for Summer Experience. However, many schools are still having difficulty getting registration forms back from students.

Since we would like to have the majority of these "targeted" students register for Summer Experience as soon as possible (so that we can be sure to hire enough teachers), we are asking for your assistance again this year to help us prevent students from falling thru any "gaps."

Attached is a list of 2<sup>nd</sup>, 3<sup>rd</sup>, and 5<sup>th</sup> graders who might need extra academic support. Would you be able to check with schools and find out which students are still "on the fence" about attending Summer Experience? Each school site will know which students on these lists have turned in their forms, etc and which students have declined the opportunity.

Summer Experience is meant for students who will be retained (Grades 3 & 8) or who are in danger of poorly transitioning to their next grade level (Grades 2 & 5). Here are the criteria schools are using to select the students they invite:

- Grade 2: Limited to 11 students **DIBELS INTENSIVE and MINIMALLY PROFICIENT on Quarter 2 (or 3)'s ELA benchmark**
- Grade 3: Limited to 11 students (fyi, this # might increase) **DIBELS INTENSIVE and MINIMALLY PROFICIENT on Quarter 2 (or 3)'s ELA benchmark; at risk of being retained**
- Grade 5: **MINIMALLY PROFICIENT on Quarter 2 (or 3)'s ELA benchmark**
- Grade 8: **Seriously at risk of Retention (list determined by site)**

Please note: Ex Ed students who receive resource support are welcome to attend this program, but this general education program is not structured to support students whose least restrictive environment is a special education setting.

Thank you again for helping our students succeed!
