Dear Parent(s)/Guardians:

TUSD's Mexican American Student Services Department is interested in hearing what parents believe should be priorities for our department and how we can best provide support to your child/children. Below is a set of questions and a place for additional input to give our department the opportunity to improve our future parent sessions.

We appreciate your participation as we work to strengthen our advocacy efforts to better serve students. If you have questions, please give our office a call at 225-3880 or e-mail me directly to maria.figueroa@tusd1.org
