APPENDIX VI – 34
DAEP Transition Plan Power Point

**Vision**

- Every student matters in USA. We believe all students have the potential to achieve their goals.
- The DAEP program provides a supportive environment that promotes academic, social, and emotional growth.
- Students are encouraged to take ownership of their education and make informed decisions.
- The program focuses on building a positive relationship with each student, fostering a sense of belonging.

**DAEP Justification and Definition**

- The DAEP program is designed to address the specific needs of students who have experienced significant challenges in traditional educational settings.
- It offers a structured and supportive environment that promotes academic success and personal growth.
- The program is tailored to meet the individual needs of each student, ensuring a personalized learning experience.

**DAEP and Project More**

- The DAEP program will be supported through Project More.
- It is a collaboration between the DAEP program and Project More to enhance student success.
- The integration of these programs provides a comprehensive approach to supporting students in their educational journey.

**DAEP and Life Skills Comparison**

- Life Skills
  - Development of social skills
  - Development of mental health
