

# APPENDIX VI – 53

**APPEALS TO GOVERNING BOARD 2015 – 2016 SCHOOL YEAR  
VI.G.1.a**

For the past few years, TUSD has received very few requests for suspension appeals. We attribute that low number that to the fact that our administrators, as well as hearing officers are well versed in discipline policies and regulations and approach discipline in a restorative manner. We are committed to fair and equitable disciplinary decisions and put forth every effort to ensure all disciplinary decisions are in line with the GSRR and the Unitary Plan.

Of the 145 long-term suspensions assigned during the 2015 – 2016 school year, the District received only 1 request for appeal.
