 National Network of Partnership Schools

**Keys to Successful Partnerships:
Six Types of Involvement**

| | |
|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | Parenting Assist families with parenting skills and setting home conditions to support children as students. Also, assist schools to better understand families. |
|  | Communicating Conduct effective communications from school-to-home and from home-to-school about school programs and student progress. |
|  | Volunteering Organize volunteers and audiences to support the school and students. Provide volunteer opportunities in various locations and at various times. |
|  | Learning at Home Involve families with their children on homework and other curriculum-related activities and decisions. |
|  | Decision Making Include families as participants in school decisions, and develop parent leaders and representatives. |
|  | Collaborating with the Community Coordinate resources and services from the community for families, students, and the school, and provide services to the community. |
