Subject: Evening Reporting Center

Good afternoon,

First of all, thank you for attending the meeting this morning!

Recap of today's meeting:

Discussed the possibility of having an Evening Reporting Center (ERC) located at the PV Family Resource Center. The Evening Reporting Center operates at a school and provides structure for students after school. The ERC also serves as an alternative to detention for students involved with the justice system- specifically, students on probation. The Evening Reporting Center would be staffed by probation officers. The program would most likely target 14-17 year olds (male and females) although parameters are still being developed. Based on staffing and transportation, we would most likely have 12-20 students involved in the program.

We talked about two possible structures for the program but as a team we felt that Structure B would be most manageable. We hope to get to Structure A at some point.

Structure A:	Structure B:
<ul style="list-style-type: none"> • Monday-Thursday or Monday-Friday • 3-8 p.m. or 4-8 p.m. • Feed students • Academic Tutoring • Presenters • Community Outing 	<ul style="list-style-type: none"> • Two days per week • Crossroads (evidence based cognitive skill development curriculum) • True Colors Curriculum • Parent/Family Component (strengthening families) • Presenters • Community Outing

Additional recommendations for programmatic implementations:

- Career Pathways/Exploration
- High School Planning Tool Kit

Potential Partnerships:

- Pima County Public Library (Read Strong) Contact: Michelle Simon michelle.simon@pima.gov
- JTED
- TUSD Food Services (dinner/snacks)
- I Am You 360 (Hygiene & guest speaker)
- Strengthening Families Coordinator
- AmeriCorp Volunteers
- Local Restaurants (dinner)

Follow Up:

- TUSD staff (Family & Community Outreach Dept., Jimmy Hart and Kevin Amidad) need to meet to discuss PV resources and program. Tanisha will request a meeting via email.
- Need to determine if an MOU is possible so that the Evening Reporting Center can have access to the building.
- Sheila will email names of students currently involved in the court system to Tanisha. Tanisha will disseminate the information to Student Support Services Departments (MASS, AFASS, NASS, APASS) or all departments can be added to one email.
- Tanisha will follow up with Sheila to schedule a meeting with TUSD staff listed above to discuss the program and begin planning/implementation.

If I left anything out, please be sure to reply all to the email so that we can all be on the same page 😊
