Bloom Elementary School

8310 E. Pima St. • (520) 731-3700

- Spanish immersion Kindergarten class.
- Field trips include the Sweetwater Wetlands and Reid Park Zoo.
- The school holds community Literacy Nights, Math Nights, and Science Nights.
- Opening Minds through the Arts (OMA) program
- After-School Clubs/Programs in Guitar, Technology, and Chess.

Bloom knows the importance of literacy and biliteracy. Bilingual skills are highly valued, and the key to being a successful student is to be bilingual. Bloom offers a Two-Way Dual Language kindergarten class. We will be expanding this program eventually to all grade levels.

The school has a strong focus on reading and writing. Bloom uses the Engage NY/Eureka Math curriculum, which helps children develop reading stamina. The program also helps them when they work on writing.

Bloom uses the Engage NY/Eureka Math curriculum, which helps solve many different types of problems. Bloom also works on self-reflection, and setting academic and personal goals.

- Clubes/Programas después de las clases en Guitarra, tecnología, lego y Girls-on-the-Run

Bloom
elementary school

Bloom sabe de la importancia del alfabetismo y alfabetismo doble. Deseamos que nuestros estudiantes sean exitosos en los mercados de empleo del mañana. Las habilidades del bilingüismo son altamente valoradas, y la clave para ser bilingüe es empezar temprano. Bloom ofrece ahora una clase de Kinder de inmersión en español de Lenguaje Dual de Dos Vías. Estaremos ampliando el programa a otros grados dentro de los próximos años, eventualmente a todos los niveles de grado.

La escuela tiene un fuerte enfoque en la lectura y escritura a través de todas las materias. Impartimos el planteamiento de lectura Daily 5, el cual ayuda a los niños a desarrollar resistencia en la lectura. El programa permite la instrucción en grupo pequeño, y los estudiantes cuentan con un centro de alfabetismo donde trabajan en la escritura.

Bloom utiliza el currículo Engage NY/Eureka Math, el cual desarrolla el hábito de la mente que matemáticas es una herramienta que se usa para resolver muchos tipos de problemas. Bloom también trabaja para ayudar a los niños a desarrollar carácter, enfocando en tres áreas: comportamiento, auto-reflexión, y el establecimiento de metas académicas y personales.

¿Sabía que? Bloom tiene un programa de baloncesto para niños y niñas.

**Two-Way Dual Language
Expansion School**

Bloom knows the importance of literacy, and biliteracy. We want our students to be successful in tomorrow's job markets. Bilingual skills are highly valued, and the key to being bilingual is starting early. Bloom now offers a Spanish immersion, Two-Way Dual Language kindergarten class. We will be expanding the program to other grades over the next several years, eventually to all grade levels.

**TUCSON UNIFIED
SCHOOL DISTRICT**

Bloom Elementary has a strong focus on reading and writing through all subjects. The school uses the **Daily 5** reading approach, which helps children develop reading stamina. The program allows for small-group instruction, and students have a literacy center where they work on writing.

Bloom uses the **Engage NY/Eureka Math** curriculum, which develops the habit of mind that mathematics is a tool to be used to solve many different types of problems.

Bloom also works to help children build character, focusing on three areas: **behavior, self-reflection** and social skills.

Bloom Elementary offers:
Field Trips • Community Nights • Science Nights • Math Nights • Opening Minds Through the Arts • After-School Programs • Guitar • Technology • Lego
