

APPENDIX IV – 44

Pre Post Teacher Survey Results

	I1 My mentor's feedback informs my teaching practice.	I2 I establish a manageable set of classroom rules and procedures and remind my students of them on a consistent basis.	I3 I ensure that my students are cognitively engaged.	I4 I establish classroom environments that support a culture of learning.	I5 Other teachers contribute to my success in the classroom.	I6 My summative assessments align with student learning standards.	I7 My lesson-planning skills are sufficiently developed to design coherent instruction.	I8 I use assessments to provide feedback to my students.	I9 I ensure that my students understand what is expected and provide feedback.	I10 Students have opportunities to process new knowledge through questions, discussion, and critical thinking activities.	I11 I incorporate my student's interests, aspirations, and backgrounds into the curriculum.	I12 I equip my students with the planning, thinking, and self-assessment skills they need to meaningfully use what they have learned.
