**Fantage.com** is a virtual world for children where they can play, socialize, and learn in a safe and exciting online environment! Players can explore the world with their own personal avatar, which they can customize by choosing distinctive features, hairstyles, and clothing. Children can also use Fantage to learn new social skills and play enriching educational games. The combination of social gaming, education, advanced customization, and safety makes Fantage a unique experience for children. Fantage truly is a Fantastic age!

## **STEM/STEAM Career Ideas**

### **Careers in Science**

- **Forensics**
- **Physicians**
- **Wellness Coach**
- **Pharmacy**

### **Careers in Technology**

- **Computer Analyst**
- **Webpage**
- **IPad, IPod, Phones**
- **Digital media**
- **Film Production**

### **Careers in Engineering**

- **Construction Management Engineer**
- **Computer Engineer**
- **Robotics Engineer**
- **Space Engineer & LOTS more!**

### **Careers in The Arts**

- **Home Design**
- **Architecture**
- **Marketing and Design**
- **Culinary Arts**

### **Careers in Math**

- **Accountant**
- **Statistician**
- **Business Analyst**
- **Economist**
