# WORKSHOPS

**Bullying - Room 103, Workshop #1 only**

*Pastor Elwood McDowell*

Discussion of the emotional/mental effects of bullying on individuals.

**Bullying - Consequences of Ignoring It - Room 103, Workshop #2 only**

*Dr. Cindy Hurley*

Understand what constitutes bullying and to explore the myths of bullying. Bullying can be a serious health issue and if ignored has many short and long term consequences for the bully...

**Conflict Resolution - Room 104**

*Ms. Catherine Tornbom*

*This session will discuss strategies of mediation tactics to resolve conflict and disputes.*

**PBIS - Promoting Positive Behaviour in Leaders - Room 105**

*TUSD Principals & Asst. Principals*

This session will present an update on the core features and status of school-wide Positive Behavior Interventions and Supports (PBIS). Learn from school administrators about the benefits of PBIS in our schools.

**Racial & Ethnic Disparity - Room 106**

*Hon. Patricia Green*

Discussion of racial disparities and strategies on how to reverse these trends.

**Restorative Practices is Good for Our Community - Room 115**

*Mr. Chris Vogler*

Learn how schools and juvenile court is building, enhancing and restoring relationships across school communities through positive changes in behavior.

**School to Prison Pipeline - Room 116**

*Ms. Sheila Pessingua & Mr. John Schow*

Discussion of reducing the juvenile population successfully and introduce other diversion programs.

**Student Engagement - For Educators - Room 117**

*Dr. Macheo Payne*

Offers interventions that support educators in addressing the behavioral health needs while focusing on academic learning and disproportionality of discipline for black & brown students...
