

APPENDIX VII – 2

School Site Family Involvement (Other) SY201-17

This document includes reports from a sampling of school sites describing involvement opportunities offered families. These opportunities do not have a curricular focus and are not a USP requirement, but are intended to build community, familiarity with school staff, and confidence interacting within the school setting. This sample does not include information from all sites.

Elementary Schools

Carrillo Intermediate

Date	Event Topic or Title	Intended Audience	Description of Activity and How it Supports Student Achievement	Number of Participants
Weekly	Classroom newsletters & homework menus, calendars, daily assignments	Parents	Information about classroom learning, suggestions for support from parents, upcoming school and classroom events (All classrooms are required to send newsletters minimally biweekly, but many do a weekly newsletter. Newsletters are posted to the classroom websites, collected in a notebook kept in the front hallway, and many classrooms also send hard copy).	Families of 305 students
