GIFTED AND TALENTED EDUCATION

Tucson Unified School District recognizes that gifted students have special educational needs that should be met within the context of educating the whole child through a variety of services and options. Free transportation may be provided for students who live beyond the established walking distance.

What is Gifted instruction?

- Good teaching strategies
- Promote critical & creative thinking
- Authentic and relevant (choice)
- Expands on content and thinking skills
- Provides for group and individual learning experiences
- Provides peer level learning
- Classroom environments that promote gifted instruction and learning practices
- All classrooms will receive instruction by a gifted endorsed teacher

GATE students will develop:

- An understanding of broad-based issues, themes, or problems within interdisciplinary and multicultural contexts
- Independence, self-direction, and skills in group processes
- Convergent and divergent cognitive abilities

HOLLINGER K-8

Dual-Language Gifted and Talented Program

GIFTED AND TALENTED EDUCATION

Hollinger K-8 Dual-Language Gifted and Talented Program is a GATE Self-Contained model.

We prepare our students for a bilingual future, with the ability to: collaborate, problem-solve, be creative, and be critical thinkers. We will ensure the success of all students through the delivery of a high-quality standards-focused dual-language curriculum. Hollinger is open to students district-wide and free transportation may be provided to students living beyond the established walking distance.
