Banks Elementary School

3200 S. Lead Flower Ave. • (520) 908-5700
TucsonUnified.org/banks

The school mascot at Banks is the bobcat, and students are encouraged to adopt positive traits of the animal, which is known to be independent and family-oriented. Banks Bobcats learn to be strong individuals and also learn how to be part of a pack.

At Banks, teachers set expectations from the start by sharing goals and objectives and explaining how each lesson fits into those goals. Parents are part of the Banks Bobcat pack. Teachers meet with them on a regular basis and sometimes demonstrate how subjects will be taught to children so parents can help at home.

Did you know?

Banks is the farthest TUSD school to the west, with students coming from as far away as Altar Valley.

- *Kitt Peak National Observatory brings star-gazing nights to Banks.*
- *Fourth- and fifth-graders spend a night at TUSD's Camp Cooper.*
- *Banks has two teams in the Girls on the Run program, which uses running to encourage health and fitness, and build confidence.*

Blenman Elementary School

1695 N. Country Club • (520) 232-6500
TucsonUnified.org/blenman

Blenman's priority is for your child to gain a solid foundation of academic success. The school is a Be Kind School, and lessons developing kindness, respect, and responsibility are integrated into the school day.

Blenman's teachers work collaboratively. They meet weekly at each grade level to look at student data and plan lessons accordingly. The goal: Give students the foundational skills to be independent thinkers. This approach teaches students to value learning.

Did you know?

Blenman has a desert tortoise enclosure.

- *Blenman teachers were named teacher of the year in 2016 and 2017.*
- *Over 10 different languages are spoken by students at Blenman.*
- *Blenman Elementary offers a GATE cluster strand at each grade level.*

Bloom Elementary School

8310 E. Pima St. • (520) 731-3700
 TucsonUnified.org/bloom

Bloom focuses on reading, math and writing. Teachers are trained in the Daily 5 model, which builds independence and reading stamina. The school uses Engage NY Math to build math concepts using a variety of strategies.

Our social goals include helping children build character, integrity, empathy and responsibility by focusing on behavior, self-reflection and setting academic and personal goals.

- Bloom is a Two-Way Bilingual Immersion School.
- Bloom is an Exceptional Education Inclusion school.
- The school offers Opening Minds through the Arts (OMA) curriculum.

Did you know?

Bloom offers 'Lego Club', 'Technology Tuesdays' Club, 'Get-Your-Game-On' Club, Lead Guitar, Girls on the Run, Cross Country, Student Council and KIDCO.

Bonillas Basic Curriculum Magnet School

4757 E. Winsett Blvd. • (520) 232-6600
 TucsonUnified.org/bonillas

Bonillas follows a rigorous curriculum that aligns with college- and career-readiness standards. The school has a proactive approach to reading and math intervention, providing extra support to children as needed throughout the day.

At Bonillas, teachers focus on preparing children for their academic futures, starting with a structural reading and writing program in kindergarten that continues through fifth grade. Parents' participation and involvement is a focus at Bonillas.

- Bonillas is an Opening Minds through the Arts (OMA) Exploratory Residency school.
- The school has a band and orchestra.
- Bonillas has a uniform dress code.

Did you know?

Bonillas has been a back-to-basics curriculum school since 1983.

Borton Elementary Magnet School

700 E. 22nd St. • (520) 225-1000
TucsonUnified.org/borton

Borton opened its doors in 1928 and has had a long history of providing a top-notch learning environment for all students. Borton is a magnet school that puts special emphasis on project-based learning that is authentic and relevant to the community. The school employs systems thinking to give students an understanding of big picture thinking and how subjects are interconnected.

In addition, Borton has an emphasis on fine arts, including visual arts and music, and outdoor learning. Borton has been recognized as one of the top magnet schools in the nation, receiving merit awards from Magnet Schools of America in 2006, 2007 and in 2017 receiving the Magnet School of Excellence award.

Did you know? For most of its history, Borton was a kindergarten through second grade school. Third, fourth and fifth grades were added in recent years.

- Borton was the first Tucson magnet school with early childhood education.
- The school has an outdoor environmental learning laboratory with a phenology trail.
- Each morning, all members of the Borton community, including parents and families, gather in the courtyard for community time with the pledge and singing morning songs.

Carrillo K-5 Magnet School

440 S. Main Ave. • (520) 225-1200
TucsonUnified.org/carrillo

Carrillo K-5 is conveniently located downtown, in a beautiful historic building close to the Tucson Convention Center. The school boasts a high stability rate, high achieving students, involved parents and excellent staff. The community supports Carrillo K-5 through numerous partnerships, including the Tucson Library, the Children's Museum, the Tucson Symphony, Ben's Bells and El Presidio Museum.

Did you know? Carrillo's instruction is based on thematic units that include the four C's of 21st Century skills: critical thinking, creativity, collaboration and communication.

- Carrillo was awarded the A+ School of Excellence Award.
- Students enjoy excellent visual arts, performing arts, and communication/technology programs.
- Enrichment experience offerings include outings to local museums and historic locations.

Cavett Elementary School

2120 E. Naco Vista Drive • (520) 225-1300
 TucsonUnified.org/cavett

Established in 1957, Cavett is a pre-K through fifth-grade school nestled in the Vista neighborhood, in Central Tucson. The school's educators include teachers from diverse backgrounds and experiences from all over the United States.

Cavett also has teachers who have dedicated their entire teaching careers to the generations of families at the school. Through a positive learning environment, Cavett students are immersed in an integrated curriculum that includes Eureka Math, Balanced Literacy, music, dance, opera and visual arts.

- Cavett offers 21st Century before- and after-school programs.
- Cavett has implemented a Gifted and Talented Education (GATE) Cluster program.
- Cavett is an OMA Gold school, that integrates arts into the curriculum.

Did you know? Cavett students are learning Taiko, Japanese drumming.

Collier Elementary School

3900 N. Bear Canyon Road • (520) 584-4800
 TucsonUnified.org/collier

All children learn in a positive, supportive environment. Children are taught to think and problem-solve, to communicate and to function sensitively and successfully in a complex, changing and culturally diverse world. Collier is known for consistently strong academics and an inclusive setting.

Collier also has multiple fine arts opportunities with OMA, Parent & Art Literacy, and Visual Literacy.

Collier kids are 'Caring Cougars.' They practice kindness and the 4 B's: Be Safe, Be Responsible, Be Respectful, and Be Caring.

Did you know? The PTA purchased interactive whiteboards and document cameras for every classroom, as well as computers to provide a complete computer lab for 30 students.

- Collier has a strong school, parent and community partnership to support students' academic, social, and emotional growth. (Reading Seed tutors, Stories That Soar, Student Council, Track, Talent Show, movie nights, family art nights, Chili Night, Monster Mash, Pasta Night, Jog-A-Thon)
- The community school provides outstanding preschool and after-school programs.

Cragin Elementary School

2945 N. Tucson Blvd. • (520) 232-6700
TucsonUnified.org/cragin

Cragin teaches students to think and problem-solve, to communicate and to function sensitively and successfully in a complex, changing and culturally diverse world. The school follows the four B's: Be Safe, Be responsible, Be respectful, Be Kind. Cragin has a full-time counselor.

Cragin is an Opening Minds through the Arts (OMA) school, and students participate in one or more OMA arts integration activities, including visual arts, dance, music and orchestra. Studies indicate that children with frequent access to the arts also have increased math and reading scores. Cragin's 21st Century Community Learning Center after-school program includes enrichment activities including tutoring, gardening, sports, arts and sewing.

Did you know? Cragin's mascot is Craig the Cougar, and its slogan is "Cragin Cougars know they can!"

- Cragin offers 21st Century after-school tutoring, extended enrichment in math and reading, arts and sports programs.
- Children in all grades have Promethean boards and digital projectors in their classrooms, iPad access and COWs (Computers on Wheels).
- Cragin has a Bucket-Filler program.

Davidson Elementary School

3950 E. Paradise Falls Drive • (520) 232-6800
TucsonUnified.org/davidson

Davidson teachers, staff, and parents work together to prepare students for the future. Students are engaged in balanced literacy through whole group shared reading instruction and small group, guided reading instruction. Each week, students in grades 2-5 participate in the math fact challenge.

Davidson is a PBIS school, where students ROAR. Davidson students who earn Dragon tickets are recognized on the announcements daily and every month the Davidson community holds an assembly to celebrate the academic and behavioral accomplishments of students. Davidson is a Ben's Bells Kind Campus and students nominate and select two Kind Kids each month to receive mini bells.

Did you know? Davidson opened in 1914 and was housed in its original location until moving north two blocks in 2006 to its current building. This building has won recognition for its energy efficiency.

- Davidson's has inclusion preschool which means general and exceptional education is taught in one classroom.
- Davidson won a 2017 Silver Award for Tier 1 and some Tier 2/3 PBIS Fidelity and Outcomes.
- Davidson has a computer lab, two sets of laptops (COWs), and interactive white boards in every general education classroom.

Davis Bilingual Elementary Magnet School

500 W. St. Mary's Road • (520) 225-1400
 TucsonUnified.org/davis

Davis offers a Dual-Language Program that reflects the community's commitment to bilingual education and literacy in English and Spanish. Students learn about culture, including Mariachi music, physical education and art.

Teachers at Davis encourage students to ask questions and to understand that they have the power to influence social issues. Family engagement is important. The school holds parent education nights, math and reading nights, movie nights, a carnival and authentic cultural celebrations.

- *The Davis Magnet focus creates authentic learning environments where children are immersed in Spanish language development in all subjects.*
- *The Las Aguilas de Davis Mariachi group is an integral part of the second language learning process.*
- *The Dolores Huerta Garden is an outdoor classroom with math and science lessons in a real-life setting.*

Did you know? *Children at Davis are immersed in Spanish and learn to be successful in two languages; English and Spanish. The Spanish Immersion Program has a 30-year trajectory of academic success.*

Dunham Elementary School

9850 E. 29th St. • (520) 731-4200
 TucsonUnified.org/dunham

Dunham puts the emphasis on collaboration, research-based instruction and achievement. Parents are a prominent part of the equation. Teachers send home newsletters about what is happening in the classroom, and the school offers workshops for parents to learn how to help their children with test-taking and homework skills.

Writing is a strength for children at Dunham. Students keep math and science journals and help each other with their writing skills.

- *The Dunham student council performs service work, such as gathering blankets for the homeless.*
- *On Wednesdays, students participate in specialty classes including poetry, sign language, math or dance.*
- *Each class tends to a section of the Dunham Garden, where tomatoes, lettuce, squash and flowers grow.*

Did you know? *Dunham art students routinely win first place ribbons at the Pima County Fair.*

Erickson Elementary School

6750 E. Stella Road • (520) 584-5000
TucsonUnified.org/erickson

Erickson teachers and administrators believe children are more open to learning in a school where they feel appreciated, loved and trusted. Erickson's counselor and school community liaison foster familial relationships and community partnership. This warm and supportive environment allows the school to focus on academic achievement.

Erickson has a strong math component at each grade level. Teachers conduct daily math reviews and mental math activities. Teachers focus on the procedural and conceptual sides of math. Erickson is also a neighborhood school where kids walk to campus on a daily basis.

Did you know? Erickson was the first "open education" school built by TUSD.

- A half-time library assistant and community liaison keep Erickson's library open and keep parents and families involved in Erickson.
- Erickson's support staff includes a full time counselor, reading interventionist, reading recovery and instructional teacher assistants.
- Erickson has strong support through Site Council, PTA and community partnerships.

Ford Elementary School

8001 E. Stella Road • (520) 731-4300
TucsonUnified.org/ford

Ford uses the Daily 5 or Café in reading and math to differentiate learning based on student needs. The small-group approach enhances student abilities and individuality. Classrooms are equipped with a variety of technology resources to enhance 21st Century skills. The schools GATE program provides students with enrichment activities aligned to the curriculum.

Ford practices the Positive Behavior Intervention System throughout the school day in all areas. The school emphasizes the importance of the Life Skills of the Month by being Respectful, Responsible and Ready to Learn every day.

Did you know? Ford has a full-time counselor who is available to support students and provide resources to families.

- Ford incorporates the Opening Minds through the Arts (OMA) program into the curriculum to enhance student learning.
- The school invites the community to a variety of events involving families. These events include Curriculum Night, Math/Science Night, Literacy Night, Walk/Ride to School and many others.
- Ford has a variety of after-school activities available, including cross-country, track, bowling and community education program.

Fruchthendler Elementary School

7470 E. Cloud Road • (520) 731-4400
TucsonUnified.org/fruchthendler

High academic achievement is a team sport among teachers, parents and students at Fruchthendler. The school is driven by a strong partnership between families and the staff. The relationship is so strong that several parents are in classrooms at any time to support the continuous improvement of this top-notch school.

Fruchthendler believes the best academic achievement comes from explicit instruction based on data from weekly assessments. The school offers an abundance of extracurricular activities as well as multiple field trips a year for each class.

Did you know? *Fruchthendler students consistently outperform district and neighboring schools in the core academic subjects.*

Gale Elementary School

678 S. Gollob Road • (520) 731-4500
TucsonUnified.org/gale

Gale Elementary supports students academically, socially and emotionally in a safe community environment that has the feel of a family. Classrooms are collaborative, with students helping each other learn and achieve.

The school sets high academic goals and also understands the role of physical education, arts and music to prepare well-rounded students who have no limits on their learning. Gale emphasizes the Tiger Traits: creativity, sense of humor, flexibility, responsibility and kindness.

Did you know? *Gale's highly qualified teachers have over 400 years of combined teaching experience.*

- *Fruchthendler won Top Elementary School in the 2016-17 Southern Arizona Regional Science & Engineering Fair (SARSEF).*
- *Fruchthendler was awarded the A+ School of Excellence Award for 2018.*
- *Fruchthendler is an Opening Minds through the Arts (OMA) Gold school.*

- *Strong PTC, Site Council and Volunteer Cadre.*
- *More than half of Gale's teachers have National Board Certification.*
- *Gale has a mobile computer lab for every classroom.*

Grijalva Elementary School

1795 W. Drexel Road • (520) 908-3600
TucsonUnified.org/grijalva

The Grijalva community promotes the success of all children by supporting each child's social, emotional, and academic success. Grijalva provides a range of programs for all children because the school recognizes that all children grow in their own time and in their own way.

The school welcomes all children and sets high expectations for all students without exception. The Grijalva team believes families are the best partners in education and values partnerships with the surrounding community.

Did you know? *One of our teachers was a Grijalva student!*

- *Grijalva's fifth-grade students can travel to California to study history and marine biology.*
- *Students can choose to play structured games and sports at recess, or they can choose their own kind of play.*
- *Grizzlies in the school's Two-Way Dual Language program learn to read, write, and speak in English and in Spanish.*

LENGUAJE DUAL DE DOBLE VIA
DUAL
TWO-WAY DUAL LANGUAGE

Henry Elementary School

650 N. Igo Way • (520) 731-4700
TucsonUnified.org/henry

As a community, Henry has embraced the Opening Minds through the Arts program where every child has instruction in the arts. Each grade has its own unique type of art instruction from dance, opera, recorders, orchestra and band. The school feels that this helps students access the curriculum through different avenues.

Teaching centers on self-directed learning, with students actively engaging in their work with a teacher close at hand. Henry also has after-school activities such as the Henry Headliners, a theater performance club.

Did you know? *A large number of parents and staff went to Henry as students and have returned with their children.*

- *Anna Henry Elementary is a school with a strong sense of community. Everyone in the community works together to support students in every way so they can succeed.*
- *Henry is an Opening Minds through the Arts, OMA Gold school.*
- *The motto "Gila Monsters have Heart" means everyone cares about students and the community.*

Holladay Magnet Elementary School

1110 E. 33rd St. • (520) 225-1600
TucsonUnified.org/holladay

Holladay's student artists enjoy a rigorous academic program that is fully integrated with visual and performing arts. Through the integration of the arts into core subjects and an interdisciplinary, project-based learning approach to instruction, students have many opportunities to develop skills in problem-solving, collaboration, and innovation as they learn content in meaningful ways.

In Holladay's free after-school enrichment program, students pursue their passion for favorite aspects of the arts, academics and athletics and often expand their interests to previously unexplored areas of inquiry. Programs are constantly evolving to meet the needs of students.

Did you know? *Holladay's Basketball and Track & Field teams have rated in the Top 3 in the city for the past decade.*

- *Holladay students participate in Broadway style musicals at their grade level, singing, dancing, wearing costumes, creating scenery and props, and having a great time doing it!*
- *Students are immersed in music, dance, and drama integrated with core standards and learn to play the piano in a unique piano keyboard lab.*
- *Young artists create two- and three-dimensional art in a variety of original styles, while incorporating core academic curriculum.*

Howell Elementary School

401 N. Irving Ave. • (520) 232-7200
TucsonUnified.org/howell

Peter Howell Elementary School is a proud OMA (Opening Minds through the Arts School). The arts are valued and integrated into all areas of an already rigorous curriculum. Howell is also an official Kind Campus and promotes kindness in many ways, including the addition of a Buddy Bench last year so all students have a friend on the playground.

The school offers a variety of extracurricular activities including a Kind Club and sports programs such as cross-country, basketball, track, and Girls on the Run. Peter Howell strives to provide a well-rounded education, so students succeed not only academically but also socially and emotionally.

Did you know? *Peter Howell Elementary School is a C2G (Commitment to Graduate) School and refers to grade levels in terms of high school graduation year.*

- *Seeds Community Center volunteers planted a school garden.*
- *Howell students can participate in the Milers Club.*
- *The school has a Buddy Bench.*

Hudlow Elementary School

502 N. Caribe Ave. • (520) 731-4800
TucsonUnified.org/hudlow

Students are encouraged to work together every day in class. When teachers ask questions, children know to turn to each other to find the answers. Teachers also work together, sharing student test scores, strengths and areas needing improvement. Hudlow teaches at the individual level to ensure that all students get what they really need.

Hawks respect each other and value our differences. They commit to doing their best. Hawks use a variety of digital tools to construct knowledge and they strive to have an “I can do it” mindset.

Did you know? *Hudlow’s “First 10 Days” is a scripted plan that introduces everyone to the school’s procedures at the start of the school year.*

- *Hudlow is on a learning expedition. The school strives to connect, create, achieve, evaluate and communicate.*
- *Hudlow’s primary goal is to prepare students for today and tomorrow.*
- *School staff asks these core questions: “What’s the best I can be today?” and “Is this quality work?”*

Sam Hughes Elementary School

700 N. Wilson Ave. • (520) 232-7400
TucsonUnified.org/hughes

Sam Hughes challenges students academically and promotes leadership, character-building and perseverance. Curiosity and inquiry are encouraged at Sam Hughes, and the goal is to teach children to be lifelong learners who act locally and think globally.

Sam Hughes has a strong community that supports the students, teachers and the school. Parents are involved in all aspects of the school, as are members of the Sam Hughes community.

Did you know? *Sam Hughes has held a Chuckwagon school festival since the school opened in 1927.*

- *Hughes is an Opening Minds through the Arts (OMA) School.*
- *All students learn how to play chess and have an opportunity to compete in the Chess Club. Students can use the life-size outdoor chess set.*
- *The school holds community classes with 10-week sessions in fall and spring with cooking, foreign languages and theater.*

Johnson Primary School

6060 S. Joseph Ave. • (520) 908-3800
TucsonUnified.org/johnson

Johnson has a focus on early language, early cognitive development and, as needed, early intervention. The school puts children first under the motto: "Teach the child, not the program."

Teachers work to build relationships and knowledge beyond textbooks and to connect students to their learning. All teachers are trained in Teaching Reading Effectively.

Johnson is a Kind School that emphasizes technology. It offers Gifted and Talented pullout classes and after-school tutoring.

Did you know? *Johnson is one of five schools in Arizona that enrolls only kindergarten to second grade.*

Kellond Elementary School

6606 E. Lehigh Drive • (520) 584-5100
TucsonUnified.org/kellond

Kellond has a strong sense of community that emphasizes children and their families. Parents are encouraged to become involved in children's education, and, in turn, the school works to understand the challenges students and families face. Kellond incorporates the arts into the curriculum and helps students organize their thinking and learn how to express themselves through art, music and dance.

Kellond has extracurricular activities such as track and field, chess, student council, bowling and basketball. Kellond Community School is a before- and after-school program available to families.

Did you know? *Kellond Elementary welcomed students from Rogers and Corbett elementary schools when they closed.*

- *The only K-2 primary school in Tucson Unified School District.*
- *The school focuses on early literacy and emphasizes technology.*
- *Johnson promotes Positive Behavior with Early Intervention Support and offers family engagement opportunities.*

- *OMA Gold school celebrating learning through the arts.*
- *Kellond is a Gifted and Talented (GATE) school supporting the needs of all learners.*
- *Kellond is a Kind Campus under the Ben's Bells Program.*

Lineweaver Elementary School

461 S. Bryant Ave. • (520) 232-7700
TucsonUnified.org/lineweaver

Lineweaver is centrally located and has a variety of programs available. The school staff believes in the education of the whole child, which includes physical education and the arts.

Lineweaver's diverse programs include technology instruction with iPads, laptops, and a computer lab, a full-time P.E. and Arts Integration teacher, as well as resident artists.

The school has self-contained Gifted and Talented Education (GATE) classes, as well as services for Exceptional Education and English Language Learners. Lineweaver is a large school, but maintains a close-knit community.

Did you know? *Lineweaver has a time capsule to be opened in 60 years.*

- *Lineweaver is an OMA Gold School.*
- *It is a Ben's Bells Kind Campus.*
- *The school has been delivering excellence in education for 60 years.*

Lynn/Urquides Elementary School

1573 W. Ajo Way • (520) 908-4000
TucsonUnified.org/lynnurquides

At Lynn/Urquides, teachers tailor lessons to their students and help them collaborate to advance through the curriculum. Students spend 90 minutes a day on reading activities and are assessed throughout the year to ensure they are progressing.

Classroom activities are hands-on so that children can tap into all approaches to learning. The school welcomes parent and community involvement to support children throughout their years at the school.

Did you know? *A grant from Heart of America and Target Corporation gave the 60-year-old school library an extreme makeover, including computers and 2,000 books.*

- *Lynn/Urquides is a Kind Campus in a walk-to-school neighborhood.*
- *The school has six self-contained exceptional education classrooms.*
- *Opening Minds through the Arts (OMA) Residency School.*

Maldonado Elementary School

3535 W. Messala Way • (520) 908-4100
TucsonUnified.org/maldonado

Maldonado students use their PAWS (**P**actice self control, **A**lways are Kind, **W**ork with best effort, and **S**trive for Success). The school is proud of its Fuel Up to Play 60 program. Students exercise and are taught to take care of what they eat so they lead a healthy lifestyle. Students also learn reading, math, writing and science through Balanced Literacy and Guided Math.

The school has created a strong family atmosphere and focuses on building a community feel. Maldonado honors the strengths and knowledge its families have to share. Families are encouraged to take part in their child's education.

Did you know? Maldonado has a beautiful mountain background.

- Maldonado is a Kind/Caring Campus with a strong Positive Behavior with early Intervention Support (PBIS) focus.
- The school has pull-out Gifted and Talented Education (GATE).
- Maldonado's inclusive preschool is open to neighborhood preschool age children who meet eligibility and enrollment requirements.

Manzo Elementary School

855 N. Melrose Ave. • (520) 225-1900
TucsonUnified.org/manzo

Manzo empowers children to be future leaders and stewards of the environment with hands on STEAM (Science, Technology, Engineering, Art, and Math) initiatives applied as they grow vegetables, manage a chicken coop and aquaponic system, observe a desert tortoise habitat, and utilize rainwater harvesting cisterns.

Manzo has active partnerships with the University of Arizona, Biosphere 2, and others that provide opportunities for interns from the university to serve as role models by working side-by-side with students.

Did you know? The U.S. Green Building Council named Manzo the Best of Green Schools in the K-12 category in 2012.

- Manzo's students spend instructional time in the school's extensive outdoor classroom.
- Students are citizen scientists in real-world scientific investigations made possible through community partners.
- Vegetables, eggs, and fish grown on campus are sold to the community at monthly Manzo Markets.

Marshall Elementary School

9066 E. 29th St. • (520) 731-4900
TucsonUnified.org/marshall

Marshall uses the Opening Minds through the Arts (OMA) curriculum to inspire children and help them make connections in core subjects. Teachers set expectations for students and work hard to help them achieve their goals.

Marshall has an active parent community that supports students in the classroom and through events such as a carnival, walk-a-thon and staff appreciation luncheons. Volunteers also help with track and field.

Did you know? *With extensive before- and after-school programs, working parents can find care for their kids at Marshall from 6:15 a.m. to 6:15 p.m.*

- Marshall has two computer labs and a COW (computer on wheels).
- Marshall has the largest elementary Choir program in TUSD, featuring the Intermediate Mustangs group and Primary Colts group.
- The school's track and field teams regularly finish in the top five in the city competition.

Miller Elementary School

6951 S. Camino de la Tierra • (520) 908-4200
TucsonUnified.org/miller

Miller teachers use arts and technology as tools to help connect with children. The Opening Minds through the Arts (OMA) program incorporates language arts, math, social studies and science into visual and performing arts programs. Every class has access to an interactive electronic response system that teachers can use to gather student opinions and generate discussion topics.

Miller has community representatives who encourage parents to be involved in the school, and families are invited to monthly meetings on topics that relate to their children's education.

Did you know? *Miller is named after three sisters – Mary, Maude and Nelle Miller – who taught in TUSD for a combined 97 years.*

- The school rewards students with Miller Merits for being Caring, Respectful and Responsible.
- Miller's 21st Century after-school program offers tutoring and enrichment classes.
- Every Thursday is College Day. Students are encouraged to wear T-shirts representing a college they would like to attend.

Mission View Elementary School

2600 S. 8th Ave. • (520) 225-2300
TucsonUnified.org/missionview

When you walk into Mission View, you get a sense that the school is a hub for the neighborhood. Many parents are alumni, the school has strong community support and some staff members have worked there for 10 to 20 years.

Mission View was part of a Tucson Unified School District program designed to transform schools to become models for education in the district and the state. The program is a partnership with the University of Virginia schools of leadership and education, and provides intensive training to teachers and administrators.

Did you know? *Mission View was one of the first dual-language schools in Tucson.*

- *Mission View has received a Farm to Table grant to develop a Dream Garden in collaboration with the Community Food Bank.*
- *The school offers a Two-Way Dual Language program.*
- *A \$15,000 grant from the Lester and Roberta Smith Foundation helped launch a Book Nook Project, which allows the library to have extended hours.*

LENGUAJE DUAL DE DOBLE VIA
DUAL
TWO-WAY DUAL LANGUAGE

Myers/Ganoung Elementary School

5000 E. Andrew St. • (520) 584-6700
TucsonUnified.org/myersganoung

Myers/Ganoung is implementing the GATE Cluster program. Cluster programs provide instruction by gifted endorsed teachers with students “clustered” together in classrooms with GATE identified and open access students. The school’s goal is for one teacher from each grade level to acquire a gifted endorsement.

Myers/Ganoung has transformed its campus into a 21st Century high-tech learning environment with interactive whiteboards in each classroom, a 30-unit computer lab, five computers on wheels, digital cameras and digital printers. Myers/Ganoung students enter middle school with extensive computer skills.

Did you know? *In 2016-17, the school was awarded a 21st Century Grant.*

- *The Myers/Ganoung mission is to engage students from diverse cultures and abilities in a community committed to learning academics and life skills through exploration within a safe and enriching environment.*
- *The diversity of the school gives students the opportunity to learn in an inclusive environment.*

Ochoa Community School

101 W. 25th St. • (520) 225-2400
TucsonUnified.org/ochoa

Ochoa engages students with a variety of programs that tap into their curiosity and creativity. It offers an ecology workshop, in which students explore the relationships between living things and the Sonoran Desert environment by growing food, taking care of insects and animals, and incorporating familiar and cultural knowledge of the ecosystem.

Through the materials workshop, students are encouraged to explore multiple avenues for learning, understand their personal identity and connect with others. Through hands-on experience with traditional art making supplies, technology, and dramatic play students develop critical thinking skills, visual literacy, and creative expression.

Did you know? *Ochoa collaborates with community organizations such as the University of Arizona and the Community Food Bank to offer the children and families of Ochoa diverse opportunities to learn about our environment and plan for their future.*

- *Ochoa follows this approach to teaching and learning: “We see the child, every child, as a gifted child for whom there has to be a gifted teacher.” - Loris Malaguzzi*
- *Children experience our materials workshop and ecology workshop.*
- *The Cyber Café is a space for students to transition from consumer to programmer and user to inventor in relationship to computers and technology while exploring the languages of code and mathematics.*

Oyama Elementary School

2700 S. La Cholla Blvd. • (520) 225-5700
TucsonUnified.org/oyama

Oyama takes a “Balanced Literacy” approach by integrating reading, writing, social studies, math and science. This allows students to make more connections with subjects and gain broader and deeper knowledge.

Students examine and explore a subject through hands-on projects and inquiry-based instruction. Teachers encourage children to bounce ideas off each other and come up with their own conclusions. Oyama has a desktop computer lab and laptop computer lab. Every class has daily computer lab time.

Did you know? *Hank Oyama was a plaintiff in the 1959 court case that overturned the ban on interracial marriage in Arizona.*

- *The Oyama mascot is the dragon. By the front door is a giant metal dragon waiting to “warmly” greet all who enter the school.*
- *Hank Oyama was a strong advocate for education in Tucson.*
- *Oyama values learning beyond the classroom and every grade level goes on field trips. The school’s 5th graders culminate their years at Oyama by going to the Grand Canyon.*

Robison Elementary School

2745 E. 18th St. • (520) 232-7800
 TucsonUnified.org/robison

Robison offers an inquiry-based curriculum that develops knowledgeable and caring students who help create a more peaceful world through intercultural understanding and respect.

The curriculum encourages students to learn how to ask questions, problem-solve and take action. Students are taught to collect, synthesize and analyze information and work cooperatively with others to be prepared for the changing world in the 21st Century. Robison takes pride in having a positive environment.

- Robison has physical education programs for all students in K-5.
- The school has a 21st Century Grant that allows for tutoring before- and after-school.
- Robison has a full-time counselor.

Did you know? Robison is a school steeped in tradition; never forgetting its past while looking forward to its future.

Sewell Elementary School

425 N. Sahuara Ave. • (520) 584-7200
 TucsonUnified.org/sewell

Sewell provides a nurturing environment that promotes critical thinking, communication and academic achievement. Teachers work together to support children as they move from grade to grade, and parents are encouraged to participate in the classroom.

Sewell has a strong sense of community and many traditions, including movie nights, strong basketball and track and field programs, and a commitment to the arts as an Opening Minds through the Arts (OMA) school.

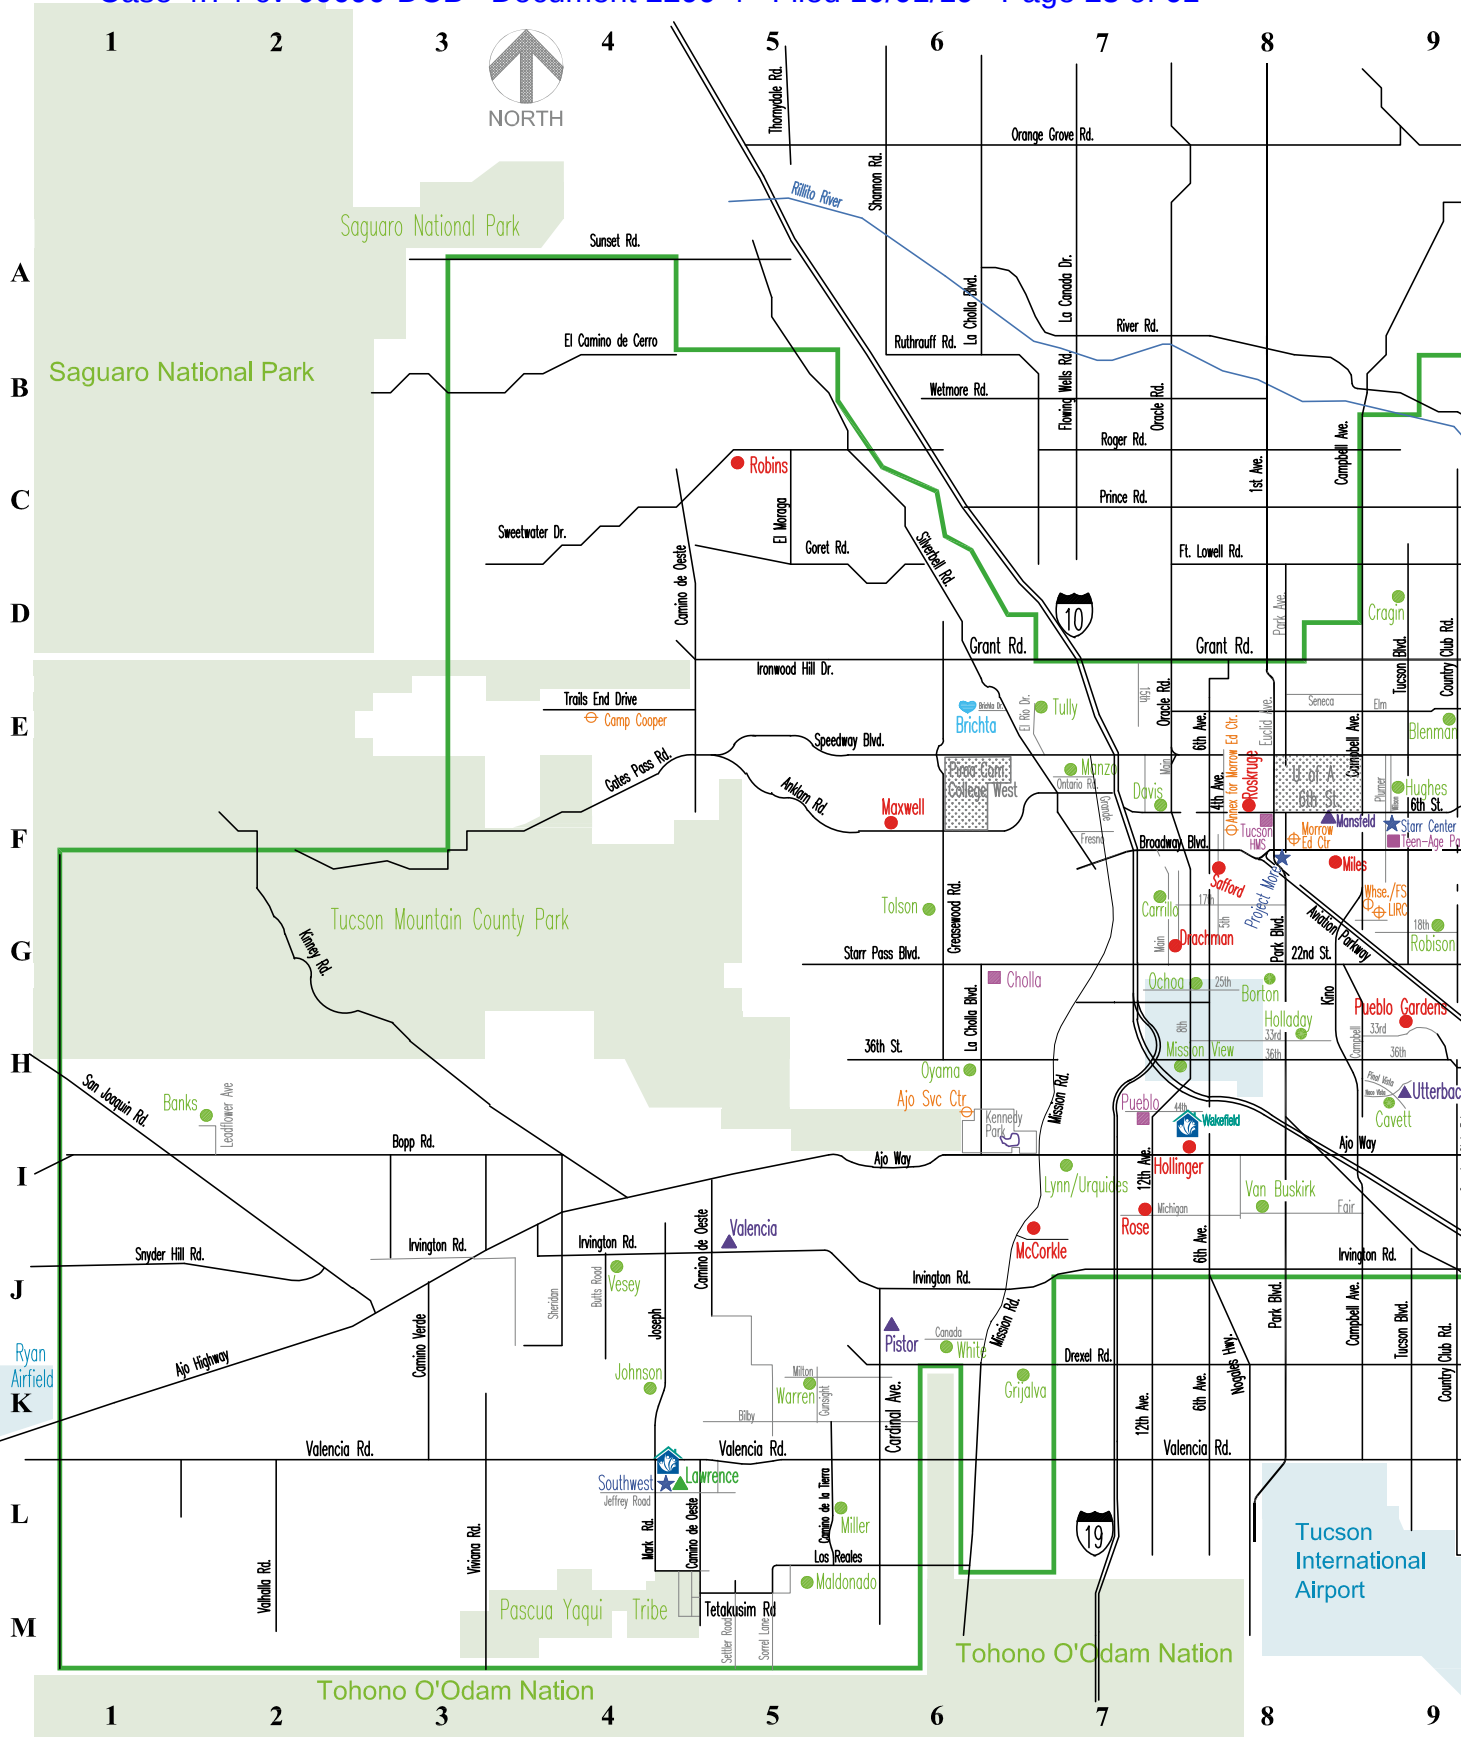

- Sewell is an OMA Gold School.
- All of Sewell's students learn to play an instrument beginning in 3rd grade.
- Sewell Sabercats are Safe, Kind and Wise.

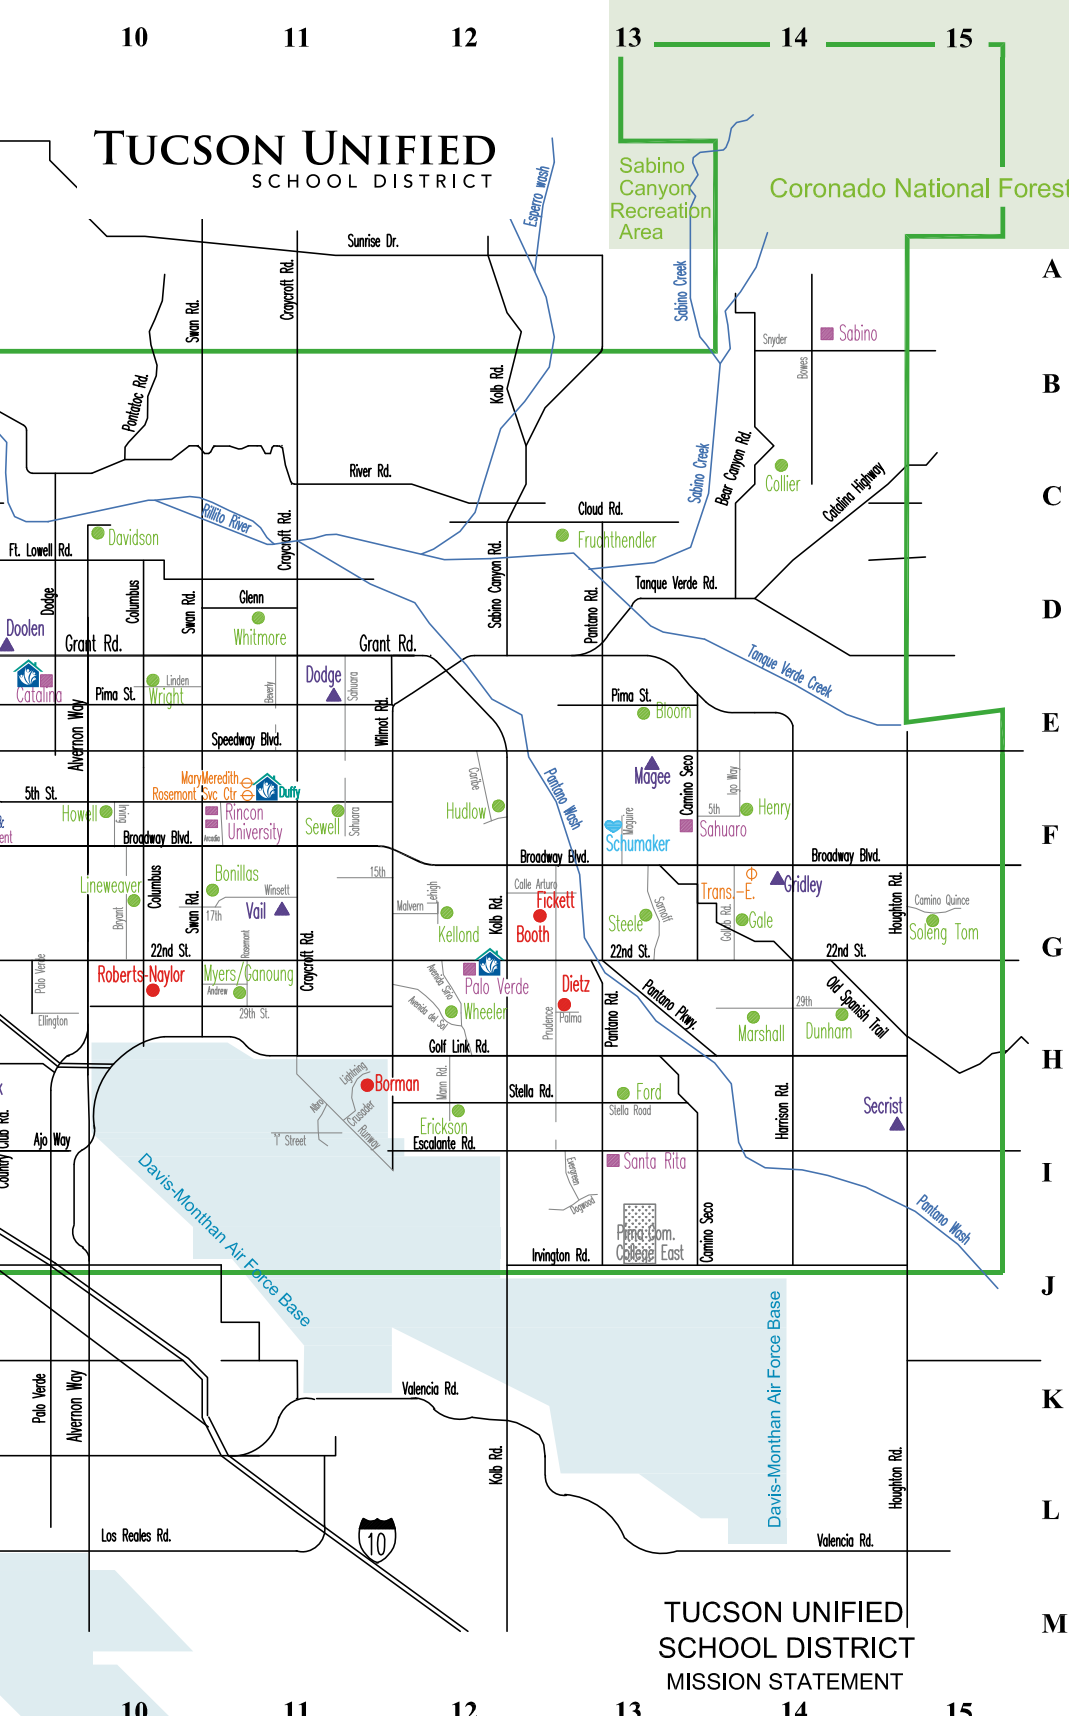

Did you know? First-grade students create an opera.

TUCSON UNIFIED SCHOOL DISTRICT

— DISTRICT BOUNDARY

TUSD SCHOOL LOCATOR MAP

Tucson Unified School District has elementary, middle and high schools throughout the city. Students who live in the district boundaries have a home school at each grade level that they can attend.

Our open enrollment and magnet programs allow parents to choose their neighborhood schools or apply for schools outside of their neighborhoods depending on their children's interests and needs.

Magnet programs include focuses on science, technology, engineering and math; performing arts; dual-language; traditional education and more.

To determine your neighborhood schools and learn more about the magnet school and open enrollment process, please go to TucsonUnified.org

TUCSON UNIFIED SCHOOL DISTRICT MISSION STATEMENT

The mission of the Tucson Unified School District, in partnership with parents and the greater community, is to assure each pre-K through 12th grade student receives an engaging, safe, rigorous and comprehensive education.

Soleng Tom Elementary School

10520 E. Camino Quince • (520) 731-5400
TucsonUnified.org/solengtom

Soleng Tom provides a strong sense of community, with teachers, administrators and parents working together. About half the faculty has worked at Soleng Tom for more than 10 years. The staff is known for its dedication and collaboration.

Parent involvement is strong at Soleng Tom. The school has an active PTSA, and parents regularly volunteer in the classroom and at events such as the Grandparents' Luncheon, Family BBQ and Spaghetti Night.

Did you know? *Soleng Tom has scored the top TUSD results in standardized reading and writing tests for several years.*

- *More than 260 parents are involved in the Parent Teacher Student Association.*
- *The Soleng Tom Enrichment Program was the first TUSD pre-school program.*
- *More than 500 people attend the annual Grandparents' Luncheon.*

Steele Elementary School

700 S. Sarnoff Drive • (520) 731-6800
TucsonUnified.org/steele

Steele students come from around the city but the school strives to maintain a “neighborhood school” feel by developing meaningful connections with students and families. Because Steele is small, families can count on the staff’s availability and continuous communication.

The Steele staff is smart, experienced, collaborative, positive and supportive. They celebrate students’ successes and talents together and rely on one another to support kids when they struggle. At Steele, every child will have a loving team of knowledgeable professionals working to meet their individual needs.

Did you know? *The school is named for Harold Steele, who was TUSD’s superintendent from 1916 to 1918. He was present for the school’s opening in 1962.*

- *Steele is a preschool through 5th grade community school safely nestled in the heart of the Jesse Owens neighborhood.*
- *The school has a caring, highly qualified staff dedicated to academic success.*
- *Preschool is taught by certified teachers, providing 3- and 4-year-olds with excellent early learning opportunities.*

Tolson Elementary School

1000 S. Greasewood Road • (520) 225-3300
TucsonUnified.org/tolson

Tolson has an amazing staff that consistently provides opportunities for students to succeed. The Tolson staff has increased student achievement year-after-year thanks to their work ethic and love of teaching.

Tolson is a family-friendly campus that promotes parent volunteers and cooperation through numerous activities during school. Tolson reaches out to community members to volunteer their time. Students want to come to Tolson every day.

Did you know? Tolson has science lab disks that look like R2D2 from “Star Wars.”

- Tolson has a huge athletic field.
- Tolson’s folklórico is open to students in kindergarten through fifth grade and performs quarterly, including a holiday show and end-of-year celebration.
- Every Friday, the Student Council runs a school-wide community gathering.

Tully Elementary Magnet School

1701 W. El Rio Drive • (520) 225-3400
TucsonUnified.org/tully

Tully is a magnet school with a focus on GATE (Gifted and Talented Education). Teachers collaborate and create integrated thematic units using inquiry-based approaches. Students learn to examine broad-based issues through risk-taking, curiosity, imagination and complex challenges.

Tully stresses the “5 R’s” of teaching and learning: Rigor, Relevance, Relationships, Results, Reflection. GATE instruction at Tully is interdisciplinary with multicultural contexts, where reading and writing play a critical role.

Did you know? Tully was given the Bronze Award in the Healthier US School Challenge by the U.S.D.A. for offering healthful food options, providing nutrition education and increasing physical activity.

- The Tully garden serves as a wellness and nutrition resource for students and families and supplements Tully’s curriculum.
- Tully is TUSD’s first “Open Access” GATE school, with GATE instruction occurring in every classroom at every grade level.
- Tully partners with several Colleges at the University of Arizona to incorporate scientific foci at multiple grade levels.

Van Buskirk Elementary School

725 E. Fair St. • (520) 225-3700
TucsonUnified.org/vanbuskirk

Van Buskirk is the elementary school closest to the Rodeo Fairgrounds with traditions deeply rooted in the immediate community. The school focuses on the whole child, developing skills in academic and behavioral areas. The school offers a Two-Way Dual Language Enrichment program in English and Spanish with the goal of developing bilingual, biliterate students. Van Buskirk integrates art projects into classroom lessons in reading, writing and math.

Van Buskirk incorporates a life-skill into classroom lessons each month, building character and integrity in students. Other character traits they help build include effort, cooperation, perseverance, integrity, caring for others, problem-solving and building friendships.

Did you know? *Van Buskirk Bears celebrate their rodeo heritage every year with festivities during the month of February.*

- *Van Buskirk is an OMA Gold Fine Arts Program.*
- *The school offers a PAWS after-school tutoring program.*
- *Van Buskirk provides bullying prevention and awareness lessons.*

LENGUAJE DUAL DE DOBLE VÍA
DUAL
TWO-WAY DUAL LANGUAGE

Vesey Elementary School

5005 S. Butts Road • (520) 908-4600
TucsonUnified.org/vesey

Vesey is an amazing K-5 school that nurtures the entire child's learning experience. The staff focuses on working with the parent/guardian to ensure that the learning environment for all children is focused and appropriate for their individual learning levels.

Vesey has intensive mathematics and reading curriculum interventions that scaffold the learning so that every child grows in skill and proficiency. Vesey is a fun and safe place where respect is the basis for everything.

Did you know? *Vesey is the largest elementary school in TUSD and has solar panels that will eventually provide 80 percent of the power the school uses.*

- *Vesey is an OMA Gold School.*
- *The school has a 21st Century Program.*
- *At Vesey, each child is treated as an individual learner.*

Warren Elementary School

3505 W. Milton Road • (520) 908-4700
TucsonUnified.org/warren

Warren's teachers, students and parents work together to support children in their education. Data and technology play a big role; children set improvement goals every quarter and are empowered to take responsibility for their achievement. Warren is a "Leader in Me" school based on the "7 Habits of Highly Effective People," building character and promoting leadership.

Students at Warren are also encouraged to think about the future. Many students take part in the after-school reading program, which translates into improved AzMERIT reading scores. Warren also offers after-school athletics including cross-country, track, and the Girls on the Run program to promote sportsmanship, character building and healthy choices.

Did you know? *The great-grandson of the school namesake, Frances Warren, visited Warren Elementary a couple years ago and is a regular supporter. Frances Warren came to Tucson in 1881.*

- Warren requires uniforms in white, gray and maroon.
- The preschool program helps young ones transition into kindergarten.
- Leadership, pride, honor and respect are some of the school's core values, and students are recognized with Power Paws when they demonstrate these qualities.

Wheeler Elementary School

1818 S. Avenida del Sol • (520) 584-5500
TucsonUnified.org/wheeler

Wheeler students are involved in highly engaging, relevant and rigorous learning experiences that expose them to global concepts. Wheeler offers project-based, interdisciplinary education that focuses on three school-wide units: "Everything has a Story," "Sharing our Earth" and "We are Global Students who Act with Kind Words and Kind Actions."

Wheeler is an Opening Minds through the Arts (OMA) school that emphasizes the development of each child's unique talents. The curriculum incorporates the artistic process through the day with learning opportunities for students to experience, inquire, create and reflect.

Did you know? *Wheeler has a labyrinth, where students place a stone to mark their place at the school.*

- Students get 60 minutes of physical education each week.
- Wheeler has four ways students can use computers: desktops, laptops and two Computers on Wheels stations with netbooks and iPads.
- The school year ends with the Wheeler Museum, where some students are docents who guide other students through exhibits about other countries and cultures that were studied.

White Elementary School

2315 W. Canada St. • (520) 908-5300
TucsonUnified.org/white

White is a highly performing school that is dedicated to preparing students for middle school during the school day and after school. White Elementary employs Daily 5 concepts to provide students with structured daily reading habits and reading in small groups.

Math instruction is interactive and participation-based, where students have to show how they reached the answer.

Did you know? *The White Elementary mariachi band fronted for Los Lobos at the Rialto Theatre in 2013-2014.*

- *The Academic Parent Teacher Teams give parents the tools to teach math and reading skills at home.*
- *About a third of the school's students are involved in mariachi or folklórico.*
- *White offers Two-Way Dual Language and GATE programs.*

LENGUAJE DUAL DE DOBLE VÍA
DUAL
TWO-WAY DUAL LANGUAGE

Whitmore Elementary School

5330 E. Glenn St. • (520) 232-8000
TucsonUnified.org/whitmore

Whitmore has a dedicated teaching staff that works diligently to help children be successful. The school offers a curriculum where reading, writing, math, and science lessons are integrated. Whitmore differentiates instruction to make sure each student is successful by teaching specifically to students' needs.

Whitmore gives students the opportunity to experience many different things that they can integrate into their learning. Teachers collaborate closely with each other to ensure that students are getting the skills and knowledge they need to be successful.

Did you know? *The Whitmore PTA was the only PTA in Arizona to receive a \$1,000 grant from the National Parent/Teacher Association. Only 50 PTAs in the country received this grant.*

- *Whitmore is a member of the National Elementary Honor Society.*
- *Whitmore is a 21st Century Community Learning Center offering before- and after-school academic and enrichment opportunities.*
- *Whitmore received the 2017 MERIT Award for PBIS implementation.*

John B. Wright Elementary School

4311 E. Linden St. • (520) 232-8100
TucsonUnified.org/wright

Wright has focused on science, technology, engineering and math (STEM) for many years. The STEM subjects are incorporated across the curriculum into social studies, language arts, music and even play. Students are encouraged to take pride in their school, earning "Trust Cards" by being Respectful, Responsible, Safe and Kind. Students walk around the school with their trust cards and are proud to be JBW Wildcats.

Wright students are encouraged to be curious and explore their ideas. Teachers help children build confidence in their learning and set their sights on the future. Each morning at Wright, the children hear this message: "We are training future Arizona Scientists, Technologists, Engineers, Artists and Mathematicians."

- Wright is an OMA Gold school, which means they believe the arts help students in academics.
- The school is building a greenhouse.
- Wright enjoys community partnerships with Raytheon, the University of Arizona, neighborhood associations and faith-based organizations.

Did you know? Wright students have Lucky, a tortoise.

Booth-Fickett Math/Science Magnet School

450 S. Montego Drive • (520) 731-3800
TucsonUnified.org/boothfickett

Booth-Fickett Math/Science K-8 Magnet School is a comprehensive school that provides a positive learning environment through our PBIS program and Ben's Bells.

As a K-8 AVID school, students learn important organizational and study skills that prepares them to become college and career ready. Booth-Fickett offers hands-on science classes in our classrooms and in our outside learning classroom located in the habitat, technology, counseling and GATE programs. Our technology program provides all students access to classroom computers and/or classroom laptops. Students in grades 6-8 have the opportunity to take Minecraft coding, Lego robotics, computers, exploring engineering, art, yearbook, music and journalism as an elective.

Our students become masters of math and science, with the ability to enroll in advanced learning classes including High School STEM, Algebra, and Geometry classes.

Did you know? Booth Fickett K-8 Math & Science Magnet School is the first K-8 AVID College Prep program in TUSD.

- Booth-Fickett offers the AVID College Prep program and hands-on science labs in grades K-8.
- Students can take high school credit classes in science, algebra and geometry.
- Booth-Fickett offers classes in Lego Robotics, Environmental Design, Exploring Engineering, Math Counts and Spanish, plus Gifted and Talented Education classes (GATE).

Borman K-8 School

6630 Lightning Drive • (520) 584-4600
TucsonUnified.org/borman

Borman K-8 is located on Davis-Monthan Air Force Base and serves military families. Teachers work together in Professional Learning Communities to provide instruction to ensure students are learning what they need for their grade levels and are ready for the next grade.

The school's teachers and staff work to incorporate technology in lessons throughout the content areas. Borman has an amazing athletic program which offers cross-country, track and field. Middle school students can also participate in basketball, soccer, volleyball and track/field.

Did you know? Borman K-8 has a Robotics Team, Girls on the Run and a Lego club.

- Located on Davis-Monthan Air Force Base.
- Home of the Borman Astros.
- The school is named for Astronaut Frank Borman, who commanded Apollo 8, the first spaceship to orbit the moon. He was a graduate of Tucson High School.

Dietz K-8 School

7575 E. Palma St. • (520) 731-4000
 TucsonUnified.org/dietz

Dietz students are empowered to learn using a variety of tools and techniques. Teachers work on identifying students' academic strengths and weakness and track their achievement closely to ensure the students are learning and advancing. The school's K-3 staff has been trained on Teaching Reading Effectively, which is a strong foundation for early literacy in grades K-3.

The community of Dietz has continued to grow as the school builds partnerships with many local businesses and community groups that contribute and help the school with the needs of its students in order for them to become successful citizens and prepare them for the future.

Did you know? Dietz is a community hub for parent learning, parenting classes, ESL and GED classes provided by Pima Community College East Campus.

- Dietz is an Opening Minds through the Arts (OMA) Gold school with a Gifted and Talented (GATE) program.
- The school has 21st Century Community Centers that provide after-school programs.
- Dietz has partnerships with Pima East Campus, UA Project Soar, Reading Seed, Tucson Community Food Bank, the neighborhood association and faith-based organizations.

Drachman K-8 Montessori Magnet School

1085 S. 10th Ave. • (520) 225-1500
 TucsonUnified.org/drachman

Drachman Montessori's classes promote student collaboration and peer teaching. Children are challenged and motivated by witnessing higher-level learning. Montessori materials are essential to student success. Students and teachers collaborate to design individual work guides, which facilitate the children's ability to choose appropriate learning materials.

The school builds community and promotes high expectations of scholastic achievement, maturity and empathy. Children benefit from an aesthetically pleasing and organized learning environment, and they proudly take an active role in maintaining it. Students who have experienced a Montessori education become peaceful, responsible, caring citizens.

Did you know? Drachman Montessori was awarded the Magnet School of Excellence Award from the Magnet Schools of America Organization.

- Drachman Montessori is the only Montessori school that is part of a public school district in all of Southern Arizona.
- Nationally recognized with a Blue Ribbon School of Excellence Award from the US Department of Education.
- Drachman has tremendous music, ecology and athletics programs.

Hollinger K-8 School

150 W. Ajo Way • (520) 225-1700
TucsonUnified.org/boothfickett

Stability breeds student success at Hollinger, where many teachers have been on board for 10, 15 and 20 years. Collaborative partnerships with parents, teachers and community members come together to help students excel.

At the middle school level, the school works closely with Pueblo High School to offer high school credit classes to provide challenging course-work for honor students. Hollinger's goal is to get students prepared for high school and the path to college.

As a community, Hollinger bulldogs are On Time, On Task, Everyday.

Did you know? Hollinger earned a \$100,000 Don't Quit Fitness Center made possible by a grant from the National Foundation for Governors' Fitness Councils for demonstrating new and innovative ways for promoting student physical education and wellness.

- Hollinger offers a preschool program.
- The school has the only Dual Language self-contained GATE Program for grades K-6. It also has a Two-Way Dual Language Program for grades K-8.
- Strong community partnership with Higher Ground, U of A Science Department and La Frontera.

TUCSON UNIFIED
SCHOOL DISTRICT

Lawrence 3-8 School

4850 W. Jeffrey Road • (520) 908-3900
 TucsonUnified.org/lawrence

Lawrence works hard to serve students' needs while also concentrating on achievement. The school has undergone significant changes in the past several years, including adding sixth, seventh and eighth grades.

Lawrence students learn about science, technology, engineering, art and math. These subjects are incorporated across the curriculum, including social studies, language arts, music and even play.

The school offers activities such as Native flute, Yaqui music, Yaqui language and art.

- 53 percent of Lawrence students are from the Pascua Yaqui tribe.
- The school's sixth, seventh and eighth grade classes switch classes per period like a regular middle school schedule.
- Lawrence has Academic Parent Teacher Teams to enable parents to keep a close eye on their children's academic progress.

Did you know? Lawrence is TUSD's only intermediate school, serving just grades three through eight.

Mary Belle McCorkle Academy of Excellence K-8

4455 S. Mission Road • (520) 877-2000
 TucsonUnified.org/mccorkle

What makes a New Tech school different from traditional school?

Teaching that Engages - Through project-based learning, students become problem-solvers.

Outcomes that Matter - New Tech Network learning outcomes measure collaboration, written and oral communication and the development of student responsibility for their own learning.

A Culture that Empowers - McCorkle makes learning relevant and creates a collaborative learning culture. Students become engaged and challenged by their school, their teachers and their peers. Each NTN school promotes a culture that promotes trust, respect and responsibility.

Technology that Enables - Through a technology-rich environment, teachers and students create, communicate, and access information and experience self-directed learning. Students in grades 5 through 8 have one-to-one technology.

- McCorkle Academy is the first New Tech Network school in TUSD and second in Arizona.
- McCorkle Academy has a dual-language (Spanish and English) strand for grades K-8.
- Teachers design projects beginning with complex and authentic challenges requiring students to demonstrate mastery of knowledge which fosters written and oral communication skills.

Morgan Maxwell K-8 School

2802 W. Anklam Road • (520) 225-2000
TucsonUnified.org/maxwell

Maxwell's caring teachers create an environment where every child has the opportunity to succeed. The school offers rigorous core courses at every grade level as well as electives for children with all types of interests, such as interscholastic sports, astronomy and arts.

Maxwell uses teams to help keep students on track and moving forward. The teams typically include teachers, a social worker, a behavior interventionist and the principal. The team approach and outreach create a supportive environment where children strive to do their best.

Did you know? *Morgan Maxwell K-8 School was created when Menlo Park and Brichta Elementary Schools were merged at the site of the closed Maxwell Middle School.*

- *Every Morgan Maxwell classroom is equipped with a whiteboard, document camera and student computer workstations. There are also two computer labs which are accessible to all students to enhance their learning.*
- *Middle School students participate in interscholastic sports year-round.*
- *Morgan Maxwell provides before- and after-school tutoring funded by the 21st Century Grant.*

Miles Exploratory Learning Center

1400 E. Broadway Blvd. • (520) 225-2200
TucsonUnified.org/miles

Miles is a multi-age, co-enrollment site which emphasizes inclusion, taking a collaborative approach to education, involving parents, faculty and the community in decisions about the school. Students also work together in the classroom. Multi-age, multi-level classrooms allow students to stay in the same room for two to three years. This helps them build confidence and enables teachers to offer more challenging material as children progress.

The goal at Miles is to create a community of learners. Reading, writing and math skills are developed through hands-on activities and inquiry-based instruction, and programs such as fine arts and the school's Green Project enhance the school's curriculum.

Did you know? *The school's Green Project features an organic garden, a recycling program and nutrition activities.*

- *All students at Miles come through open enrollment.*
- *Students with hearing problems are co-enrolled in all grade levels.*
- *More than 25 percent of graduating Miles students earn admission to University High School.*

Pueblo Gardens PreK-8 School

2210 E. 33rd St. • (520) 225-2700
TucsonUnified.org/pueblogardens

Pueblo Gardens is a neighborhood PreK-8 school close enough that most children can walk to school or are within easy driving distance. The school has a collaborative culture that seeks to include parents through an Academic Parent Teacher Team model that invites parents into the classroom to discuss curriculum and achievement. Parents then take home goals and activities for their students.

The school is a leader within the district for its use of the Positive Behavior Intervention System with its school-wide expectations of “Growing lifelong learners who are Responsible, Respectful and Ready to Learn. (GRRR!)”

- Pueblo Gardens has a school garden for enrichment classes.
- The school offers a music program for all middle school students.
- Pueblo Gardens has whiteboards in every classroom and access to laptops for all grades.

Did you know? Pueblo Gardens was the first Del Webb community built in Arizona and among the first Tucson subdivisions to have its own school, park and shopping center.

Roberts-Naylor K-8 School

1701 S. Columbus Blvd. • (520) 584-6800
TucsonUnified.org/robertsnaylor

Roberts-Naylor continues to distinguish itself through its student body diversity, its emphasis in academic achievement and the implementation of programs that allow for student success.

At Roberts-Naylor, children build a foundation in core subjects, including science, technology, engineering and math. Applications of math, science and language concepts are often taught through career-related projects to expose children to the variety of opportunities for the future.

- Roberts-Naylor has a diverse student body with children from more than 20 countries.
- Children build a foundation in core subjects, including science, technology, engineering and math.
- Roberts-Naylor participates in the Wright Flight.

Did you know? The majority of our student body can speak more than one language, and some speak three to four.

Robins K-8 School

3939 N. Magnetite Lane • (520) 908-4300
TucsonUnified.org/robins

Robins is an Opening Minds through the Arts (OMA) Gold school that integrates music, math, reading, writing and the arts to provide a consistent, quality education to all students. The school puts a special emphasis on literacy, with small-group instruction and before- and after-school tutoring as needed.

Over the past few years, Robins added sixth, seventh and eighth grade levels. In sixth grade, students are assigned the book “7 Habits of Highly Effective Teens” to help them transition to the middle school years. In eighth grade, students are assigned the book, “Success for Teens” and they meet with the Counselor to prepare for high school.

Did you know? *Bobcats, javelina, mule deer, coyotes and roadrunners all tramp across the Robins campus.*

- *One of the biggest events of the year is the Earth Day Carnival.*
- *Robins is a Certified Natural Wildlife Habitat and has natural landscaping around the school.*
- *Students play a musical instrument for four years as part of their arts education.*

C.E. Rose PreK-8 School

710 W. Michigan Drive • (520) 908-4400
TucsonUnified.org/cerose

At C.E. Rose PreK-8 School, students are empowered to learn using a variety of tools and techniques. The school’s mission centers on LEAP 90, a program that aims to ensure that 90 percent of students exceed standardized testing benchmarks. Teachers at C.E. Rose have high expectations of every student, and children are supported as they meet their goals.

Special emphasis is put on literacy, math and the principles of effectiveness as spelled out in the book “7 Habits of Highly Effective People.” The school achieves these goals with teachers working as interdependent teams and encouraging students to be the leaders of their own learning.

Did you know? *Students engage in a Math Fact fluency contest. Winners are invited to a special party each month. Students who pass all of the required tests for their grade level become Ultimate Math Masters and are invited to every party for the rest of the year.*

- *C.E. Rose was the first school in Arizona to receive a National Excellence in Urban Education Award.*
- *The school earned the Bronze Award in the Healthier US School Challenge.*
- *C.E. Rose 8th graders have an opportunity to take an Advanced Learning Experience by taking Algebra 1 or a Communications Media and Technology class at Pueblo High School.*

Roskruge Bilingual K-8 Magnet School

501 E. 6th St. • (520) 225-2900
 TucsonUnified.org/roskruge

Roskruge is a school with a collaborative culture that promotes success. Parents, teachers, community members and staff come together to help students at Roskruge excel. With the University of Arizona just blocks away, the school has a stream of college students who offer math and reading support. In addition, Roskruge has a joint partnership with the University of Arizona to support science classes and the garden.

Most of the children at Roskruge begin in Kindergarten and continue through eighth grade, and many teachers have worked there for more than 10 years. That continuity makes Roskruge a tight-knit school community.

Did you know? Beginning in 6th grade, Roskruge students have the opportunity to earn up to 5½ high school credits before entering high school.

- Roskruge is a Two-Way Dual Language school that offers children a pathway to receive a special distinction on their high school diploma, the Arizona State Seal of Biliteracy.
- Performing groups Mariachi Pumas de Roskruge and Ballet Folklórico Los Pumas are recognized and sought after for performances.

 TWO-WAY DUAL LANGUAGE

Safford K-8 School

200 E. 13th St. • (520) 225-3000
 TucsonUnified.org/safford

Safford has been recognized by the state of Arizona as a Civic Engagement award winner for multiple years. The school has established partnerships with local universities and business. Safford offers a variety of opportunities for parent involvement.

The Tucson Korean Ambassador Program; a cultural exchange between Tucson, Arizona and Yeung Yang province in South Korea, offers students the chance to learn about another culture and make friends with students from half-way around the world.

- The school has a strong focus on literacy in all academic disciplines.
- Safford offers a K-8 Interscholastic after-school program for boys and girls.
- After-school tutoring and clubs are available for all students.

Did you know? Safford still uses the building that was constructed in 1919. A school has stood on the site since 1888.

Dodge Traditional Magnet Middle School

5831 E. Pima St. • (520) 731-4100
TucsonUnified.org/dodge

Dodge Traditional Magnet Middle School focuses on the five “R’s” Reading, Writing, Arithmetic, Respect and Responsibility. Dodge provides a rigorous program that encourages all students to be successful.

The school relies on the Dodge triad: teachers, students and parents working together to provide a quality educational experience for Dodge students. Teachers expect students to complete nightly homework, which includes reading.

Did you know? *Ida Flood Dodge wrote the first Arizona textbook used in schools across the state. A copy of this text is available in the school’s office.*

- Dodge is an A+ School of Excellence.
- Dodge is a Magnet Schools of America School of Distinction.
- Dodge students, parents, teachers and its principal make sandwiches for the homeless at St. Phillips every four weeks.

Doolen Middle School

2400 N. Country Club Road • (520) 232-6900
TucsonUnified.org/doolen

Teaching and learning at Doolen doesn’t just involve math, language arts, social studies and science. Doolen’s faculty and staff put a priority on building relationships between teachers and students so that the diverse population feels safe, comfortable and ready to learn.

Doolen’s objective is to shape productive citizens who can take part in society in a meaningful way. This entails building a common ground for students who come from a wide variety of backgrounds and enter with varying educational levels. In the mix with typical students are refugees, Gifted and Talented students, English Language Learners and exceptional education students.

Did you know? *Doolen has a vast green space that can fit four soccer fields and is open to community groups when school is not in session.*

- Many of Doolen’s students speak a native language (as many as 32 can be heard) in addition to English.
- Doolen has a community garden where neighbors can come to grow vegetables and flowers.
- The school’s “We are the World” club gives students insight into the many cultures present at Doolen.

Gridley Middle School

350 S. Harrison Road • (520) 731-4600
TucsonUnified.org/gridley

Gridley's mission is to create excellence by focusing on Community, Integrity, and Commitment to academic achievement, which is lived each day on campus.

The school lives this mission by providing a technologically enriched, and STEM focused curriculum, and also by providing great programs that include band, guitar, orchestra, and a variety of after-school clubs and activities.

- Gridley Middle School is a technologically rich environment with a focus on integrating STEM based activities throughout the curriculum.
- The school has one of the best band and orchestra programs in the city, with a goal of developing youth into advanced performers.
- Gridley has a garden and chicken coop club.

Did you know? Gridley is home to one of the only virtual reality labs in the city.

Magee Middle School

8300 E. Speedway Blvd. • (520) 731-5000
TucsonUnified.org/magee

Magee Middle School has a strong academic focus and offers regular and honors classes in science, math, English language arts and social studies.

The school also offers elective options in art, drama, band, orchestra, AVID, P.E., Spanish, computer science, yearbook and robotics. Magee Roadrunners are award winners in many areas, and the school is dedicated to continuing its tradition of excellence.

- Magee students have a winning track record in the Odyssey of the Mind program, making it to world finals year after year.
- The school offers Lego Robotics to help children engage in math and engineering in a fun environment.
- Magee has a great teaching staff dedicated to engaging with students and helping them learn and achieve.

Did you know? The Magee Middle School Odyssey of the Mind team has won the state competition each year for over a decade.

Mansfeld Middle Magnet School

1300 E. 6th St. • (520) 225-1800
TucsonUnified.org/mansfeld

Mansfeld, located across from the University of Arizona, has a rich tradition of academic excellence. The school is a magnet school with a focus on science, technology, engineering, and math (STEM). Teachers in all content areas embed STEM practices into their curriculum preparing students to think critically and collaboratively as they solve problems. Additionally each quarter focuses students on answering an essential question that is addressed across campus from a variety of perspectives.

The focus on STEM subjects and processes has increased collaboration among teachers so that students can make connections between what they learn from one class and the next and can apply their knowledge beyond school. Mansfeld also has a strong before- and after-school program to both improve and enrich student learning.

Did you know? Singer-songwriter John Denver – then known as Henry John Deutschendorf Jr. – was a student at Mansfeld long before country roads took him home to West Virginia.

- Mansfeld collaborates on STEM education with the University of Arizona, the Pima County Superintendent's Office and other local STEM agencies.
- Students wear uniforms.
- Mansfeld is a comprehensive middle school with performing arts, fine arts, physical education, and Gifted and Talented Education.

MAGNET PROGRAMS

Pistor Middle School

5455 S. Cardinal Ave. • (520) 908-5400
TucsonUnified.org/pistor

Students at Pistor focus on mastering curriculum so they are prepared for high school. The school's PANTHER UP mission stands for Promote equity, Achieve academically, Note successes, Try consistently, Have plans, Enjoy learning, Reach goals, Understand rigor and Prepare for high school.

Teams of teachers meet in Professional Learning Communities to share and work together to get to know students and support them. Children who are struggling are offered opportunities to catch up so that each child can leave Pistor ready to succeed in high school.

Did you know? Pistor has many Advanced Learning Opportunities including Self-Contained GATE, Two-Way Dual Language, AVID and honors classes.

- Students wear uniforms.
- Students earn Panther Bucks that can be spent at the Panther Store.
- The school colors are black, red and white.

LENGUAJE DUAL DE DOBLE VÍA
DUAL
TWO-WAY DUAL LANGUAGE

Secrist Middle School

3400 S. Houghton Road • (520) 731-5300
TucsonUnified.org/secrist

Secrist Middle School promotes teamwork, school pride and the use of technology to maximize learning. The school has a strong arts program, with teachers helping students showcase their talents in visual arts, band, chorus, drama and orchestra.

Classrooms at Secrist are student-oriented as well as technology-oriented. Teachers work with students to help them learn to take responsibility for their education and understand the importance of academics.

- Secrist science classes use the 80 solar panels installed on campus for solar energy assignments.
- Xeric landscaping is used at Secrist. Only the soccer fields are watered.
- The school has expanded its P.E. program thanks to a sports equipment grant.

Did you know? The school has landscaping and board game clubs.

Utterback Middle School

3233 S. Pinal Vista • (520) 225-3500
TucsonUnified.org/utterback

Utterback offers Advancement Via Individual Determination (AVID) school-wide. AVID prepares students for college by teaching academic strategies like writing, learning, inquiry, collaboration, organization skills and critical reading. The curriculum emphasizes traditional academic subjects with a focus on increasing student achievement in the core areas of reading, math, science and social studies.

The school has a 400-seat theater, dance studios, a media center and art rooms that support student creativity through elective classes. Utterback also benefits from a variety of established community partnerships.

- The school has a courtyard garden maintained by the students.
- A full year-round interscholastic program for boys and girls.
- 21st Century grant provides after-school programs in academics and enrichment.

Did you know? Utterback has band, orchestra and drama and is home to the Tucson Jazz Institute.

Alice Vail Middle School

5350 E. 16th St. • (520) 584-5400
TucsonUnified.org/vail

Alice Vail provides a safe learning environment that focuses on the social, emotional, and academic education of every student. The school has a vibrant and growing fine arts program, as well as interscholastics and computer skills.

The school uses project-based, technology-infused lessons to engage students in the curriculum. About a third of Alice Vail's students attend self-contained Gifted and Talented Education classes. The school has accelerated courses at every grade level. Teachers keep close tabs on student achievement to help identify individual needs.

Did you know? Alice Vail is one of the top middle schools in TUSD for acceptance to University High School, one of the premier high schools in the nation.

- Alice Vail is home to several Nationally Board Certified Teachers who have successfully met the stringent requirements to become "Master Teachers" and several others who have taught at Vail for more than 20 years.
- All of the classes at Vail are below the 27:1 district average.

Valencia Middle School

4400 W. Irvington Road • (520) 908-4500
TucsonUnified.org/valencia

Valencia offers honors classes, art, music, P.E., mariachi, drama, middle school sports, after-school clubs, after-school tutoring, MESA and lots of other opportunities for children. Valencia's teachers differentiate instruction to target learning to each student's level. Students experience project-based learning and use critical thinking to solve problems. Valencia pushes students to remain actively engaged bell-to-bell through an interdisciplinary approach that ties together the curriculum.

Students are encouraged to prepare for high school and college and have the opportunity to visit high schools and colleges to get a feel for what the future holds. Future Jaguar families are welcomed and encouraged to come take a tour.

Did you know? Along with conservationists, students named Valencia's mascot El Jéfe.

- Valencia participates in the 21st Century Program.
- The school offers a variety of athletic programs.
- Valencia has PRIDE=
 - P - Positivity
 - R - Respect
 - I - Integrity
 - D - Dedication
 - E - Excellence

Mary Meredith K-12

755 N. Magnolia Ave. • (520) 232-8200

Mary Meredith K-12 School provides a comprehensive education for all. Students receive individualized academic, behavioral and social skills instruction to help prepare them for success in their educational goals. Mary Meredith works with parents/guardians and outside support agencies to ensure it is providing an environment and educational experience that supports students' lifelong goals. The school is a supportive community dedicated to educating, empowering and inspiring students to be positive and productive citizens. The Mary Meredith family fosters intellectual, emotional, and social growth to empower students to become fair, responsible, respectful, caring and trustworthy citizens.

The school works with parents/guardians and outside agencies to ensure that there is common understanding about therapeutic and educational goals for students.

- Students receive social skills instruction.
- Students learn job development skills.
- Group and individual counseling sessions are provided.

**EXCEPTIONAL
EDUCATION**

Did you know?

The Bookman's Challenge helped Mary Meredith upgrade its living skills classroom with new cabinets, furniture and decor.

Catalina High School

3645 E. Pima St. • 520-232-8400

Catalina's students come from dozens of countries, making it a microcosm of the world. Students speak more than 40 native languages, more than at any other school in TUSD. Faculty and staff recognize that students are successful when they have a connection to the school and when their individual needs and strengths are addressed.

- Catalina offers before-school, after-school and lunchtime tutoring.
- The school has newly renovated performing arts facilities.
- Catalina High was Tucson's third high school. It opened in 1957.

The school offers:

- A four-year program in culinary arts.
- Dual Credit Writing 101 with Pima Community College.
- Fine Arts Programs (Advance Art, Theater Arts, Stage Management, Vocal Ensemble, Guitar).
- Foreign Language (Spanish and Arabic).
- AP Courses (Language, Literature, Calculus, Biology, World History).
- Honors Courses (English, Math, Biology).

Did you know?

Culinary arts program students have been awarded scholarships to programs like the culinary program at the Art Institute in San Francisco.

Cholla High School

2001 W. Starr Pass Blvd. • (520) 225-4000

Cholla High School's mission is to engage and prepare students for a global economy through a diversity of programs. The school provides students with a well-rounded education through International Baccalaureate (IB), AVID, Foreign Languages, Fine Arts, JROTC and multiple CTE course offerings. Through the development of critical-thinking skills, Cholla students become active and integral participants in a worldwide, collaborative network.

All Cholla students are encouraged to explore their college and career opportunities, while charging fearlessly toward academic and personal excellence.

- Advanced Learning Experiences provided through International Baccalaureate and AVID.
- Cholla's JROTC program is the only program of its kind in TUSD. 
- The Cholla Arabic program is one of the premiere high school Arabic language programs in the Western Hemisphere.

Did you know?

Cholla High School was the first authorized IB World School in Pima County.

Palo Verde High Magnet School

1302 S. Avenida Vega • (520) 584-7400

Palo Verde is a great place for students interested in a Science, Technology, Engineering, Arts and Math (STEAM) program. The school has a proud, diverse and award-winning population of faculty, staff and students. Students enjoy smaller class sizes, technology rich classrooms, personalized education with college and career counseling and teachers who build relationships that last a lifetime.

Palo Verde graduates head off to college as the next generation of leaders, engineers, lawyers, doctors, business owners and executives.

- Palo Verde is a STEAM Magnet School featuring Science, Technology, Engineering, Arts & Math.
- The school offers college and career planning that has resulted in over \$10.5 million in federal aid and scholarships to the senior class.
- Palo Verde has dual-credit classes in English, science and drafting with diverse Advanced Placement and honors offerings.

Did you know?

The original "Titan Logo" included the Titan Missile, which was a sign of the times when Palo Verde was built.

Pueblo High School

3500 S. 12th Ave. • (520) 225-4300

Pueblo's mission is to provide an excellent and equitable educational experience through academic, arts and athletic programs that prepare students for college, work and life. Pueblo offers in-school and after-school academic support opportunities for students at both ends of the academic continuum.

The school offers Advancement Via Individual Determination (AVID) courses for emerging intellectual Warriors who are seeking the added support needed to pave the path toward college admission and post-secondary academic achievement.

Between 2014-2017 Pueblo has had 151 All-City Athletes; nine Section Championships; 10 Coaches of the Year; 19 Players of the Year; two State Championships. Pueblo was the recipient of the 2016-17 Tony Komadina Award for having Arizona's top female student-athlete program. In 2015-16, Pueblo was the winner of TUSD's Superintendent Cup for having TUSD's top student-athlete program.

Mariachi Aztlán de Pueblo won the Tucson International Mariachi Conference Student Showcase four years in a row (2014-2017). Aztlán musicians have taken their ambassadorship all over the western United States, sharing their knowledge and passion with mariachi students.

- Pueblo has Bio-Technology Research Method courses, and students can earn up to 12 credits from the University of Arizona.
- Pueblo's Advanced Placement (AP) offerings are composed of 25 sections and 15 different courses.
- Pueblo has a student-run TV station and Southern Arizona's only student-run radio station - 98.7 KWXL .
- The school has 10 computer labs and 20 COWs (Computers on Wheels), whiteboards and LCD projectors in every classroom, a Piano Lab, an on-site swimming pool and renovated gym floors with a UCLA replica floor in Pueblo's Lever Gym.

Did you know?

Pueblo's graduating classes of 2015 through 2017 were awarded over \$21 million in scholarships and financial aid.

Rincon High School

421 N. Arcadia Blvd. • (520) 232-5600

Rincon emphasizes global thinking, problem-solving and academic writing. Teachers encourage students to be collaborative, advocate for themselves and to celebrate diversity.

Rincon's rigorous academic standards and wide variety of classes prepare graduates for the future. The school offers dynamic fine arts courses, career and technical education classes and Advanced Placement courses in 15 subjects. Teachers and administrators develop an "educational family" of instructors, classmates and tutors for each Rincon Ranger to provide support throughout the high school experience.

ALE
ADVANCED
LEARNING EXPERIENCES

CTE
CAREER DRIVEN EDUCATION
TUCSON UNIFIED SCHOOL DISTRICT

- Rincon shares a campus with University High School, which means students from both schools mingle in the cafeteria, the library, on sports teams and in club activities.
- Individual and small group tutoring sessions with highly qualified teachers are available for all students five times a week.
- Rincon has four computer labs and 24 Computers on Wheels (COWs) that can all be rolled into a classroom to create a temporary computer lab.
- Rincon has about 70 clubs.
- Rincon has the largest English Language Development department among Tucson Unified high schools.

Did you know?

Rincon has a Cold War bomb shelter stocked with K-Rations.

Sabino High School

5000 N. Bowes Road • (520) 584-7700

Sabino High School's goal is to teach students how to build a strong foundation to achieve success in the future.

The school is nestled at the base of the Santa Catalina mountains and has a rich history with strong ties to the Tucson community.

Sabino High School is nationally recognized for outstanding academic performance. Its teaching staff is highly qualified and dedicated to preparing students for a 21st Century college experience and subsequent work force. The school offers a solid academic curriculum including honors and advanced placement courses.

Sabino offers a variety of clubs, activities and traditions inspiring a feeling of belonging and strong "school spirit."

Build Your Foundation for Success

Excelling in Academics

College Prep • Sports • Music • Arts
Career Training and so much more

Did you know?

Sabino graduates leave with a plan. Should they choose not to go to college, most Sabino graduates enlist in the military or enroll in a certified vocational program.

HIGH SCHOOLS

TucsonUnified.org/sabino

Sahuaro High School

545 N. Camino Seco • (520) 731-7100

Sahuaro is a diverse school that expands students' academic skills, encourages global thinking and prepares students for college and careers. Participation in Advanced Placement courses is typically high at Sahuaro, and the school has a strong career and technical education program.

Interpersonal skills are developed through the numerous extracurricular opportunities in sports, clubs and visual and performing arts. Sahuaro Cougars have a strong sense of pride that is seen in the hallways, in classrooms, on stage and in sports.

- Sahuaro High School will be celebrating its 50th anniversary in the fall of 2018.
- Baseball player Alex Verdugo (Class of 2014) was drafted by the Los Angeles Dodgers.
- The school has deep ties in the Tucson community. The Cougar Foundation raises funds for student scholarships and provides mini-grants for teachers.
- The school's Career and Technical Education program offers classes in engineering, computer science, culinary arts, hospitality, automotive, digital photography and other fields.
- Sahuaro was awarded the Superintendent's Cup, which recognizes excellence in sports programs, in 2012-13, 2013-14 and 2014-15.

Did you know?

Sahuaro's gym is named for Dick McConnell, who coached basketball for 39 years at the school. He runs a summer camp in that gym for boys and girls interested in playing the game.

Santa Rita High School

3951 S. Pantano Road • (520) 731-7500

Santa Rita is focused on preparing students for college and careers. The school has a strong Career and Technical Education program that helps train students for jobs. Santa Rita also has dual-credit courses available.

Teachers collaborate and coordinate with each other so students find similar themes across disciplines. Santa Rita is also working with businesses to create a pipeline for students to graduate and move directly into jobs. The school offers a wide variety of electives, clubs and extracurricular activities, including performing and visual arts and sports such as football, baseball, basketball, golf, swimming and more.

Santa Rita High School gives students the opportunity to attend college classes to earn college credit and explore career options during high school.

- Santa Rita encourages students to be engaged with business partners and the community.
- The school emphasizes project-based learning with real-world applications.
- Santa Rita Eagles can become Pima Community College students as early as their sophomore year and have access to every Pima Community College campus.
- Learn from teachers who are certified to teach college courses.
- Study culinary arts, natural resources, agriculture, construction, architecture, information technology, College Readiness Courses and more.
- Earn a high school diploma AND as much as a year of college credit, save thousands of dollars on college tuition.
- Learn in small, personalized classroom environments.
- Gain self-confidence with college preparation, work experience and support.
- Class schedules are built to student's individual needs.

Did you know?

Santa Rita has a JTED facility on campus for multimedia technologies and culinary arts, with two commercial kitchens and a banquet center.

Tucson High Magnet School

400 N. 2nd Ave. • (520) 225-5000

Tucson High Magnet School provides high-quality instruction in all curricular areas, fostering understanding of the world through the arts, sciences, mathematics and humanities. Students select from a wealth of visual and performing arts courses, honors classes and numerous extracurricular activities.

Tucson High is a magnet school featuring science and visual and performing arts. In addition to the magnet programs, Tucson High has Career and Technical Education instruction, including classes in welding, auto mechanics, digital media and more. Tucson High has strong interscholastic programs and clubs for just about every interest.

The school has an active relationship with nearby University of Arizona. Some classes are taught by university professors, and some science classes visit the university for authentic learning experiences

MAGNET PROGRAMS

- Obtaining magnet status in 1982, Tucson High boasts two areas of specialized study: Visual and Performing Arts and Science. These programs involve over 1,500 students.
- Tucson High has an extensive CTE program.
- Tucson High is the oldest operating public high school in Arizona.
- Tucson High offers 100 clubs and extracurricular activities.

The 1987 film, "Can't Buy Me Love," starring Patrick Dempsey and Amanda Peterson, was filmed at Tucson High Magnet School.

University High School

421 N. Arcadia Ave. • (520) 232-5900

University High is an honors school open to all students who meet minimum requirements based on grade-point average and testing results. Students engage outside the classroom in athletics, clubs and community service. The band is one of the largest in the state and has been rated among the top in the Arizona as well. UHS also has a strong fine arts and dance program.

The school offers a wide variety of courses that engage students and encourage them to challenge themselves. Many UHS students take eight or more Advanced Placement courses throughout their high school years. Most students go directly to a four-year university after graduation.

- UHS is typically ranked highly in the Top Best High Schools in the country according to U.S. News and World Report.
- Over the past few years, UHS has had more National Hispanic Scholars than any other high school in the country.
- The Class of 2018 was offered over \$35 million in scholarships, the most of any high school in all of Southern Arizona.

Did you know?

University High School has an annual debate where senior participants divide into parties and compete, and an inaugural ball is held to celebrate the winning party.

Teenage Parent High School (TAP)

102 N. Plumer • (520) 225-3250

Teenage Parent High School provides a unique combination of support, encouragement and challenge to ensure that pregnant and parenting teens complete high school and prepare for future success. The school has four nurseries and provides parenting and nursery experience courses where students can achieve success as new parents while they master important academic concepts and goals.

The school provides rigorous yet supportive courses, credit recovery, additional supports in math and reading and prepares students for college and career success. Teenage Parent High School helps students secure needed community services including medical information and supports, WIC services, diapers, lactation support, maternity and baby clothing, counseling and much more.

- TAP focuses on parenting, community connection and preparing students for a wide breadth of future goals.
- TAP registers new students every quarter based on student pregnancy or parenting needs.
- TAP nurseries are designed to care for babies ages 2 weeks to 18 months and mentor TAP students in best parenting practices.
- TAP offers additional tutoring, mentoring and college and career planning during the school day.
- TAP staff are knowledgeable about outside health, social-emotional, housing and economic services.
- Many TAP graduates enroll in post-secondary education within a year of graduating from TAP.

Did you know?

*TAP has a one-to-one student to computer ratio on campus.
TAP connects with you!*

TEENAGE PARENT HIGH SCHOOL

Project MORE

440 S. Park Ave. • (520) 225-2600

Project MORE is a comprehensive alternative high school for upper class students who face outside challenges in getting a diploma at a traditional high school. The school has a constantly changing menu of class offerings via online courses to best match the needs of the students enrolled at any given time.

Teachers and staff work with individual students to help them fill in learning gaps using a blended-learning approach to complete their high school education and prepare them for college and careers.

- Project MORE provides personalized, flexible learning options to accommodate individual learning styles.
- Students work independently through two online courses during four block periods per day; supported by a teacher in the classroom.
- Project MORE's Weekend Academy allows any TUSD high school student to make up for lost credits, improve a passing grade, or advance in credits.

Project MORE High School

Did you know?

Project MORE is the smallest comprehensive TUSD high school.

AGAVE Middle and High School/GradLink 2

3645 E. Pima St. • (520) 232-8600

A GAVE Middle and High School and GradLink 2 provide online education alternatives for students in grades 6 through 12. At the high school level, the program gives online access to a complete curriculum of over 100 courses including all courses needed for a high school diploma. Unlike other online schools, students may move through courses as fast as they can and labs are available for students to work with teachers face-to-face.

AGAVE's GradLink 2 program provides online courses for students ages 17 to 21 who have at least 15 credits toward graduation. The program is designed to give students extra help for the final push to graduation.

- AGAVE on-demand education is available 24/7 and 365 days a year.
- Online courses allow students to get ahead or make up credits.
- Flexible scheduling allows students to have a job or assist their family while they finish their high school diploma.

Did you know?

Last school year, over 60 students graduated from AGAVE and over 400 students that graduated from other TUSD High Schools took one or more classes with AGAVE.

Notice of Nondiscrimination

Tucson Unified School District is committed to a policy of nondiscrimination based on disability, race, color, religion/religious beliefs, sex, sexual orientation, gender identity or expression, age, or national origin. This policy will prevail in all matters concerning Governing Board, District employees, students, the public, educational programs and services, and individuals with whom the Board does business.

Inquiries concerning Title VI, Title VII, Title IX, Section 504, and Americans With Disabilities Act may be referred to EEO Compliance Officer, 1010 East 10th Street, Tucson, Arizona 85719, (520) 225-6444, or to the Office for Civil Rights, U.S. Department of Education, Cesar E. Chavez Memorial Building, 1244 Speer Boulevard, Suite 310, Denver, Colorado 80204-3582.
