Magnet Programs

The Original School Choice Option!

Tucson Unified School District is committed to recruiting a racially and ethnically diverse student body to its magnet schools and programs to ensure that the schools are integrated to the greatest extent practicable.

Magnet Programs are the original public school choice option, providing families with ways to meet the individual learning styles and interests of their children. Tucson Unified School District has a comprehensive magnet school program that offers the Tucson community optimum choices for public school education. Magnet programs are an essential component of the District's effort to support integration, increase academic achievement, increase graduation rates and increase parent engagement.

Arizona Civics Test

Attention Juniors and parents of juniors: In 2015, the Arizona legislature passed the American Civics Act (House Bill 2064) requiring the graduating class of 2017 to pass a civics test based on the United States Immigration and Naturalization civics questions. Students will be required to score 60% or higher in order to graduate from high school or obtain a high school equivalency certificates. Students may retake the test as many times as necessary to pass. Students receiving special education services are exempt from obtaining a passing score unless required by an IEP.

To prepare for this test, please this [Study Guide for Arizona Civics Test](#).
