In addition to the required parent informational quarterly meetings, AASSD staff supported and/or organized events at sites (schools) served on a daily basis. For example, specialists may host a literacy night at the elementary level, assist with STEM nights at the middle school level, and support refugee parent nights, as a result of the increasing number of African National students attending TUSD and listed as African American. Furthermore, AASSD attended community town hall meetings such as the Interdenominational Ministerial Alliance and NAACP to provide information.

Dear Parents and Guardians:

Congratulations! Your student will be honored at our 2nd quarter parent event on December 19, 2018 at 6:00pm. The event will be a special way to close out the semester as we congratulate and celebrate your student for their first quarter success. We have partnered with the **Tucson Museum of Art** to host this parent event/student recognition and give each student and their family entrance into the 30 Americans Art Exhibit – showcasing works by some of the most significant African American artists of the last four decades. The exhibit will be free for our student honorees and their families.

During our event you will have an opportunity to meet our superintendent, talk with the African American Student Services team, see your child be honored and walk through the 7,000 square foot African American Art Exhibit. Student check-in and refreshments will start at 5:15pm, and the program will start at 6:00pm. The art exhibit will open at 6:30pm and close at 7:30pm.
