Welcome to Tucson Unified

There is no goal more important than creating and maintaining safe, supportive, and nurturing learning environments for every kid in every school.

The most important factor that determines whether or not we achieve this goal, is you, the student. When you make a commitment to safety, personal responsibility, and kindness, you are also making a commitment to personal excellence.

Please read this document with your parents or guardians. It is important for you to understand our standards and expectations for behavior at school. By following the Code of Conduct, you can help our school district become a safer and more supportive environment for all students and staff.

Amazing schools are places where learning happens, where kids succeed academically and emotionally, and where learning environments are safe, supportive, and inclusive of all students. Please do your part to make sure that every school in our district is an amazing one!

Basic Information

What Is the Code?

A guide that outlines the behavior expectations, rights, and responsibilities of students and staff (previously called the “Guidelines for Student Rights and Responsibilities” or “GSRR”)

What Principles Guide the Administration of Discipline at TUSD?

- ▶ Partnering with students/parents/guardians to create safe, supportive, and inclusive learning environments.
- ▶ Striving to keep students in learning environments.
- ▶ Ensuring that consequences are non-discriminatory, fair, and age-appropriate.
- ▶ Applying the rules consistently so students receive similar consequences for similar violations.

None of these principles prevent school personnel from protecting campus safety as appropriate.

How Is Discipline Administered For Students With Disabilities?

All district personnel administering discipline must take into account a student’s disability under either Section 504 or the Individuals with Disabilities Education Act (IDEA) or if the student is suspected of having – or is being considered for an evaluation for – a disability. TUSD must follow specific procedures for students considered disabled under federal law, including determining whether misbehavior is a manifestation of the student’s disability.

When and Where Does the Code Apply?

- ▶ Regular school hours (including when students are going to and from school, “portal to portal”).
- ▶ While students are being **transported on a school bus or vehicle used for school purposes**.
- ▶ At all times and places where a school official or employee has authority over students.
- ▶ School-sponsored / school-related events and activities (including field trips and athletic events).
- ▶ On- or off-campus actions resulting in a harmful effect on students or the educational process.
- ▶ On TUSD property, at any time (see Policy JICH).

Who Monitors Discipline in TUSD?

TUSD’s Student Relations Department (“Student Relations”) is made up of a Director, Coordinator, and a Compliance Liaison. The Team monitors discipline on a bi-weekly, weekly, monthly, and quarterly basis. The Team reviews and approves requests for elevated consequences, jointly reviews suspensions with principals/assistant principals, ensures compliance with the Code and other policy, and monitors for disproportionate discipline by race or ethnicity.

How Can I Get More Information or Make an Oral or Written Complaint?

Governing Board Policies and Regulations related to discipline are available for review in the principal’s office at every school and online at <http://www.tusd1.org/Information/Resources/Student-Guidelines>. Students or parents/guardians may make a complaint related to discrimination, harassment, hazing, dating abuse, bullying, or unfair disciplinary actions with the school principal, assistant principal, Student Relations at 225-6486, or online at <http://deseg.tusd1.org>.

Restorative Practices

Restorative practices are strategies for resolving problems and building relationships by addressing the social and emotional issues created by conflict and restoring students to supportive learning environments after making amends for poor choices.

How Does TUSD Implement Restorative Practices?

- ▶ *Small impromptu circles or large group circles:* a few people meet to briefly address and resolve a problem; facilitated by district staff including teachers, counselors, and/or principals/assistant principals. A larger group can meet in a large circle or a classroom circle to discuss issues, answer questions, solve problems, or offer feedback; facilitated by district staff including, but not limited to: teachers, principals/assistant principals, counselors and/or Restorative and Positive Practice Facilitators (RPPFs).
- ▶ *Formal restorative conferences:* address serious problems of behavior. These conferences may involve students who commit disciplinary infractions, victims, parents/guardians, and principals / assistant principals. Only those trained in formal conferences can facilitate a formal conference.
- ▶ *De-escalation:* students may take a short time (no more than 30 minutes or the remainder of one class period) to de-escalate if they feel angry, overwhelmed, or in need of a time-out. Students will complete a reflection form to help staff de-escalate the situation and assist in helping to restore the student back into the classroom or classroom setting.

Positive Behavioral Interventions and Supports (PBIS)

PBIS is a proactive framework designed to prevent problem behavior while teaching socially appropriate behaviors. The focus of PBIS at TUSD is creating and sustaining safe and inclusive environments for all students to support appropriate behavior and redirect disruptive behavior.

How Does TUSD Implement PBIS?

TUSD strives to create safe, positive environments by: defining and teaching behavioral expectations; monitoring and acknowledging appropriate behavior; providing corrective, appropriate consequences; providing appropriate behavioral supports (including actions like mentoring, social skills groups, and daily monitoring); using a team-based approach; and using referral data for problem solving.

Who Is Responsible For Implementing Restorative Practices and PBIS?

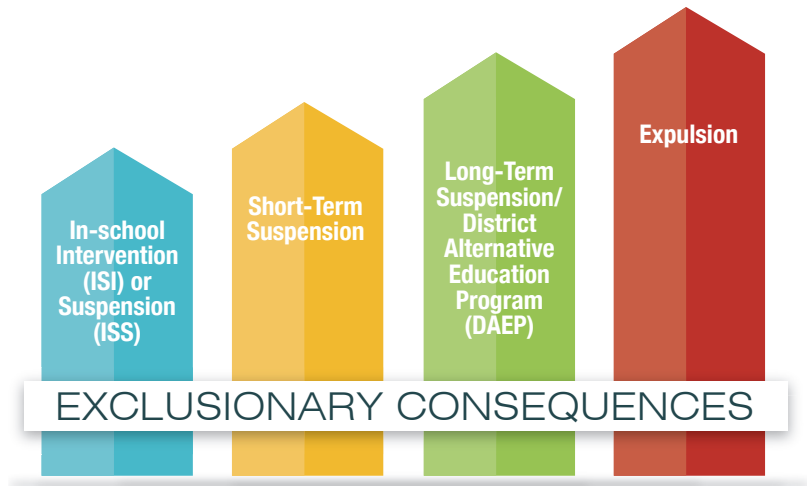

Everyone. At every site. Under the direction of the campus principal and/or the Restorative and Positive Practices Facilitator (RPPF), staff members at every site must understand school rules; reinforce appropriate student behavior; and use constructive classroom management, positive behavioral interventions and supports, and/or restorative practices strategies, where appropriate, to promote safe, inclusive, and supportive learning environments for all students.

Exclusionary Consequences

Exclusionary consequences involve removal of a student from classroom instruction for longer than thirty minutes or longer than one class period. These include positive alternatives to out-of-school suspension (see page 4) settings or programs, in-school suspensions, out-of-school suspensions, and expulsions.

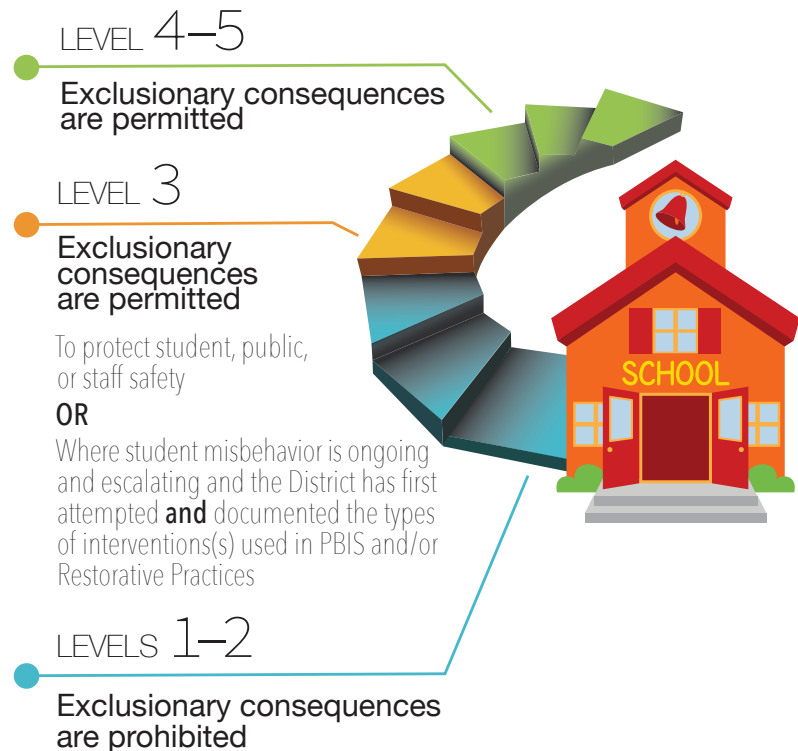

What Is TUSD's Position On the Use Of Exclusionary Consequences?

TUSD is committed to ensuring that consequences that remove students from the classroom, where learning happens, are always used as a last resort and are only applied after classroom level interventions have been attempted and failed or the seriousness of the incident warrants an exclusionary consequence.

When Do Exclusionary Consequences Apply?

If Exclusionary Consequences are imposed, students will have fair due process that includes an opportunity to appeal (see information on due process, pages 5-6). For all offenses, disciplinary consequences must be paired with meaningful instruction and supportive guidance (e.g. constructive feedback and re-teaching) so students are offered an opportunity to learn from their behavior and, where possible, an opportunity to continue to participate in the school community. School Safety personnel will not participate in discipline decisions occurring after an incident. This in no way prohibits School Safety involvement during or immediately after an incident to protect campus safety.

Positive Intervention Centers (PICs); Classroom Disruption

PICs provide a student a short time (no more than 30 minutes for grades K-5 or no more than the remainder of one class period for grades 6-12) and a positive and supportive environment to de-escalate if they are feeling angry, overwhelmed, or in need of a time-out.

A PIC can be an ISI room (MS and HS), a buddy teacher's classroom (K5 and K8), or a counselor's or social worker's office space. Students will fill out a reflection form to help identify the root cause of the feelings, de-escalate the situation, and assist in helping to restore the student back into the classroom or classroom setting.

Students may de-escalate in the PIC as needed through various protocols:

- ▶ No more than three students from a single classroom may go to the PIC room in a period.
- ▶ A student cannot go to PIC until there has been an attempted intervention, where possible.
- ▶ After the third instance in a semester, a student should be sent to a Principal/Assistant Principal/counselor for further assessment and/or intervention
- ▶ Staff will document student names and the classes they come from, and will review the information regularly to ensure appropriate use of the PIC, monitor disparities, and determine if students need additional interventions.

Based on Arizona Revised Statute 15-841

A teacher may send a disruptive student out of the classroom for 30 minutes or the duration of the period provided such action is consistent with this Student Code and only where one of the following condition exists:

1. The teacher documented that the student has repeatedly interfered with the teacher's ability to communicate effectively with the other students in the classroom or with the ability of the other students to learn; OR
2. The teacher has determined and documented that the student's behavior is so unruly, disruptive or abusive that it seriously interferes with the teacher's ability to communicate effectively with other students in the classroom or with the ability of the other students to learn.

The District is fully committed to honoring teachers' rights to remove a disruptive student according to the conditions outlined above.

Policy Regulation JK-R1

Principals may immediately remove a student whose presence poses a continuing clear and present danger to persons or property or an ongoing threat of disrupting the academic process.

Positive Alternatives to Out-Of-School Suspension

Principals are encouraged to utilize positive alternatives to suspension wherever practicable.

Abeyance Contracts (Regulation JK-R4)

An Abeyance Contract is a behavior contract that may be offered to a student who is facing a suspension. The Abeyance will shorten or eliminate the number of days a student is out of school. The Principal/Assistant Principal, parent/guardian, and student must agree to and sign the Abeyance Contract, with the understanding that if the student violates the contract with a suspendable violation, the remaining suspension days must be served.

ABEYANCE CONTRACTS MUST BE OFFERED BY PRINCIPALS/ASSISTANT PRINCIPALS WHEN A STUDENT HAS COMMITTED THE FOLLOWING INFRACTIONS: FIGHTING; POSSESSION OR USE OF DRUGS OR ALCOHOL.

In-School Intervention (ISI)

ISI is an alternative to short-term suspension where students will continue receiving classroom instruction from content-certified teachers in a classroom on campus (ISI is available at all middle schools, all high schools, and large K-8 schools).

In-School Suspension (ISS) (Reassignment to a Different Class or Area)

ISS is an alternative to short-term suspension and is only used in schools that do not have ISI. Students in ISS may be supervised by a highly qualified teacher or other staff member, and will continue to receive their core curriculum in a supervised setting.

District Alternative Education Program (DAEP)

DAEP is an alternative to long-term suspension. It is a voluntary program that provides 6th – 12th grade students with the opportunity to continue their education and reflect on the underlying behaviors and circumstances that led to the inappropriate behavior. DAEP assists students in learning appropriate behaviors and making better choices so they can be a successful student when they are restored to their home school.

Due Process (Suspension or Expulsion)

Any student facing a suspension or expulsion will be provided basic due process as a legal safeguard to protect the constitutional rights of the student and his or her parents/guardians. Expulsion is the permanent withdrawal of the privilege of attending any school in the District unless the Governing Board reinstates the privilege.

As soon as possible following an alleged violation, initiate basic due process.

- ▶ The principal or designee investigates an allegation, provides notice to the student if the allegation is found to be valid, explains the evidence and gives the student a chance to present their side.
- ▶ Principals may immediately remove a student whose presence poses a continuing clear and present danger to persons or property or disruption of the academic process.

Conclude basic due process within 1-2 school days.

- ▶ After reviewing the facts, principals may impose non-exclusionary discipline or a short-term suspension (1-10 school days) or, if warranted, may begin the process for a long term suspension (11-180 school days) or expulsion.
- ▶ A principal must impose a “short-term pending long-term suspension” when they begin the process for a long-term suspension or expulsion.

Short-Term Suspension Decision and Appeal Process

District policy provides the following protections for students facing a short-term suspension (including a short-term pending long-term suspension or expulsion):

Notice of suspension to parent on the first day; meet with parent/guardian, if possible, the first or second day.

- ▶ The principal or designee calls the parent/guardian, gives the notice of suspension to the student, and sends a copy to the parent on the **1st day** of suspension.
- ▶ Parents/guardians may meet with the principal within the **1st or 2nd day** of the suspension. The principal may offer an abeyance contract or parent/guardian may appeal the decision to the Assistant Superintendent within 3 school days.
- ▶ If appealed, the Assistant Superintendent or designee must review the decision within **3 school days**, affirm or reduce the discipline, and notify the parent/guardian/principal **as soon as possible**.

Due Process (Long-Term Suspension or Expulsion)

Principals/Assistant Principals must impose a “short-term pending long-term suspension” if they are considering long-term suspension or expulsion, and must first comply with the basic due process described on page 5 (the short-term pending long-term suspension period will count towards the long-term suspension). Once a principal decides to impose a long term suspension or expulsion, the District shall provide more formal due process as a legal safeguard to protect the constitutional rights of students and parents/guardians.

Student rights, including the right to representation by a parent/guardian and/or legal counsel (parents or guardians can be present at all proceedings).

- ▶ Reasonable access to evidence and the student’s records at least two days prior to the hearing.
- ▶ To be free from having to present evidence against themselves.
- ▶ To present favorable evidence and witnesses and to question evidence and witnesses at the hearing.
- ▶ To have the testimony presented and saved.
- ▶ To have an interpreter present, if one is necessary.
- ▶ To waive any or all rights once they are made known.

Long-Term Suspension Decision and Appeal Process

District policy provides protections for students facing a long-term suspension or expulsion. If a principal recommends expulsion, the District must follow procedures outlined in Regulation JK-R3.

Notice of suspension and hearing to parent/guardian by the third school day of the short-term suspension.

- ▶ At the beginning of the process for a long term suspension, the Principal/Assistant Principal must send the notice of suspension and hearing to the parent/guardian by the **third school day** of the short-term pending long-term suspension.
- ▶ **On or before the day the notice is sent**, the Principal/Assistant Principal must make a reasonable attempt to communicate verbally to the parent/guardian and student about the content of the notice.

Hearing and appeal procedures and timelines.

- ▶ Formal Hearing by the **10th school day** of the short-term pending long-term suspension.
- ▶ Principal or designee must send the decision within **3 school days**.
- ▶ Parent/guardian may appeal within **3 school days** of receipt; the Assistant Superintendent or designee must review within **5 school days** and notify the parent/guardian/principal **as soon as possible**.
- ▶ The parent/guardian may further appeal to Governing Board within **5 school days** from receiving notice.
- ▶ Board must decide within **10 days** after reviewing the record.

Action Levels

Guidance	<p>When considering actions, schools strive to implement Restorative Practices and to keep students in their classrooms whenever possible. Disciplinary actions must be non-discriminatory, fair, age-appropriate, and correspond to the severity of the student's misbehavior. Principals may exercise reasonable discretion in deciding which violation occurred, and may request an elevated consequence based on campus safety concerns.</p> <p>The chart below lists actions that may be taken by school administration as the result of a violation. The Action Level identifies a range of actions for violations assigned to that level. Multiple actions may be applied to a single violation.</p> <p>ACTIONS LISTED IN BOLD ARE THE MINIMUM AND MANDATORY ACTION FOR THAT LEVEL OF VIOLATION.</p> <p>FOR ALL VIOLATIONS, PARENT/GUARDIAN NOTIFICATION AND REQUEST FOR STUDENT CONFERENCE ARE MANDATORY.</p>
Level 1	<p><i>Before referring a matter to school administration, classroom teachers are expected to employ at least three classroom-level interventions every semester – with proper documentation – for a Level 1 offense.</i></p> <ul style="list-style-type: none"> • Parent/Guardian Notification and Conference Request • Student Conference • Restorative Conference and/or Restorative Circle (see page 2) • Verbal/Written Apology • Reflective Essay • Warning • Detention (before/after school/lunch) • Saturday School • Delayed Departure from School • Time Out (not to exceed 30 minutes) • Reassignment to Different Class • Suspended Privileges • Community Service (not work detail) • Restitution • Teen Court • Referred to Outside Agency • Meeting with Counselor • Peer Mediation • Functional Behavioral Assessment • Behavior Contract • Behavior Intervention Group • Behavior Learning Packets • Behavior Intervention Plan • Other Action (consistent w/other Level 1 interventions) <p><i>*Some actions may not be available at all schools</i></p>
Level 2	<p>Any Action from the prior level(s) may also be imposed.</p> <ul style="list-style-type: none"> • Restorative Conference and/or Restorative Circle (see page 2). • Social Skills Groups and/or Mentoring may be facilitated by a counselor, social worker, or other qualified staff.
Level 3	<p>Any Action from the prior level(s) may also be imposed.</p> <ul style="list-style-type: none"> • Restorative Conference and/or Restorative Circle (see page 2). • In School Suspension/Intervention or Out-Of-School Suspension and/or Abeyance (Short Term 1-10 Days) but only where student misbehavior is ongoing and escalating, and only after the school has first attempted and documented the types of intervention(s) used in PBIS or Restorative Practices.
Level 4	<p>Any Action from the prior level(s) may also be imposed.</p> <ul style="list-style-type: none"> • Restorative Conference and/or Restorative Circle (upon re-entry to school) (see page 2). • Out-of-School Suspension and/or Abeyance – Long-term (11-30 Days) (except for violations listed below) <p>Fighting*</p> <p><i>First offense</i>—Three day suspension with two days waived if student participates in mediation.</p> <p><i>Second offense</i>—Ten day suspension with seven days held in abeyance if student participates in mediation.</p> <p>*Administrators may assign a two-day “cooling off period” where safety is a concern and after consulting Student Relations.</p> <p>Possession or Use of Drugs or Alcohol**</p> <p><i>First offense</i>—three day suspension with two days waived if student agrees to attend substance abuse workshop.</p> <p><i>Second offense</i>—ten day suspension with seven days held in abeyance if student agrees to attend a substance abuse workshop. **In both cases, upon return to school, the student must agree to an intake interview and to be searched for drugs or alcohol.</p>
Level 5	<p>Any Action from the prior level(s) may also be imposed.</p> <ul style="list-style-type: none"> • Out-of-School Suspension and/or Abeyance – Long-term (11-180 Days) • Restorative Conference and/or Restorative Circle (upon re-entry to school) (see page 2). • Expulsion (181+ Days) Expulsion is the permanent withdrawal of the privilege of attending any school in the District unless the Governing Board reinstates the privilege.

Guidelines for Applying Actions

1. Nothing in the Code shall prevent school personnel from protecting campus safety as appropriate.
 2. Principals and assistant principals (APs) **must communicate with Student Relations** immediately before suspending a student (or to review the use of ISI and abeyances).
 3. Principals and APs at the elementary level (Pre-K-5th Grade) **may** treat all violations, *with the exception of possession of firearms or any incidence of threat to an educational institution*, at one level lower than that of the actual violation but may request an elevated consequence for safety concerns.
 4. Principals and APs may apply an action that is one level higher than that listed, but only upon a showing of supporting documentation (e.g. prior varied interventions, attendance, etc.). Requests must be submitted to the Assistant Superintendent for final approval and to jointly review with the Student Relations to determine if teachers and/or principals/assistant principals attempted to effectively implement interventions to address any underlying or unresolved issues. A consequence may be elevated one level after three repeated violations in a semester (with attempted and documented interventions) or to protect campus safety. A consequence may be elevated again after two repeated violations in a school year (where it is clear that attempted, varied, and documented interventions have not worked to change the student's behavior) or to protect campus safety. After five repeated violations in a school year of "Leaving Schools Grounds without Permission" or "Unexcused Absence," the District may reassign a student to an alternative educational setting (extended-learning program on-site, Project MORE, etc.) after assessing the student's circumstances to determine the most-appropriate educational placement in conjunction with the parent or guardian.
 5. Principals and APs may request a waiver of mandatory actions for level 4 or 5 consequences through the appropriate Assistant Superintendent. Waivers may not be sought when the prescribed disciplinary action involves the possession of a firearm or the threatening of an educational institution. By state law in such a case, only the Governing Board may decide, on a case by case basis, whether to impose less than the mandatory penalty.
 6. Fighting and Drug/Alcohol Use or Possession are considered level 4 violations but are treated different than other Level 4 violations, including an automatic waiver of long term consequence for the first offense (a second fight may result in a long-term suspension if approved by Student Relations and the Assistant Superintendent). Repeated occurrences of this violation may result in increased lengths of suspension.
 7. A student who willingly assists or forces another student to commit a violation of these guidelines may be held equally accountable for the violation.
 8. All parent/guardian conferences will be made in a timely manner. Parents/guardians may participate in a conference via phone or another accessible mode of communication. Students will not be disciplined further merely because their parent/guardian cannot participate in a conference.
 9. Attempted violations, including physical conflict, may require Actions. Principals or APs will determine the appropriate level of action for attempted violations. Actions will generally be at a lower level than the actual violation.
 10. When determining the appropriate level of action to take, Principals and APs shall consider a student's claim of self defense, defense of others or defense of property.
 11. Law Enforcement, School Resource, and School Safety Officers, and other security personnel, shall not be involved in low-level student discipline (levels 1-3). **This in no way prohibits contacting School Safety during or immediately after an incident to protect student, staff, or visitor safety.** A Principal/Assistant Principal must immediately notify an Assistant Superintendent and the Student Relations when law enforcement is contacted. Law Enforcement may be contacted in cases of vandalism where the District is seeking restitution for damage to school property.
- Schools are divided into **five regions**, each supported by an Assistant Superintendent. To find your regional information go to www.tusd1.org/departments/regions, locate your school in one of the five lists, then click your region's seal at the top of the column.

Regulations Related to Due Process (Suspension/Expulsion)

TUSD Governing Board Regulations are available upon request at all school sites, family centers, central offices (1010 E. Tenth Street, 85719), and online at <http://govboard.tusd1.org/Policies-and-Regulations>.

REGULATION TITLE	REGULATION CODE	DESCRIPTION
Short Term Suspension	JK-R1	This regulation explains the process for short-term suspensions (1–10 Days).
Long Term Suspension	JK-R2	This regulation explains the process for long-term suspensions (11–180 Days).
Expulsion	JK-R3	This regulation explains the process for expulsions.
Suspension Abeyance Contract Regulation	JK-R4	Principals/Assistant Principals may offer to hold a suspension in “abeyance” (to not instantly enforce the suspension) if (1) the principal/assistant principal believes it is in the best interests of the student and the school community, (2) the student and parent/guardian agree to certain conditions, and (3) the student and parent/guardian signs an abeyance contract agreeing to certain conditions. This regulation explains the abeyance contract process and requirements.

Due Process for Students with an IEP or 504 Plan

Information about IDEA, IEPs, and 504 Plans is at www.tusd1.org/Departments/Exceptional-Education.

Students with disabilities under Section 504 or IDEA (and students suspected of having a disability) may be disciplined in the same manner as any other student and may be suspended for up to 10 cumulative days of school per school year. If a suspension beyond 10 cumulative days is contemplated, special procedures must be followed. **A manifestation determination conference must be held by the 10th day of suspension, but should happen as soon as possible based on parent/guardian/staff availability.**

If the manifestation determination concludes that the student’s behavior is a manifestation of the student’s disability, then no further disciplinary action can be taken. The 504 or IEP team should convene to develop an appropriate behavior plan

for the student. If the manifestation determination conference concludes that the student’s behavior is not a manifestation of the student’s disability, a hearing officer may impose whatever long-term suspension or expulsion policy allows. The District has no obligation to continue to provide educational services to a 504 student pursuant to the 504 accommodation plan during the period of a long-term suspension or expulsion. However, the District must continue to provide educational services for students eligible under IDEA. **A student with a disability under IDEA may be referred to an Interim Alternative Educational Setting in circumstances involving the use or possession of drugs, weapons, or serious bodily injury.**

TUSD annual notification of Privacy Rights of Parents and Students

The Family Educational Rights and Privacy Act (FERPA) affords parents and "eligible students" (students over 18 years of age, or who attend an institution of postsecondary education) certain rights regarding the student's education records.

These rights are:

1. **The right to inspect and review the student's education records within 45 days from the day TUSD receives a request.**

The parent(s) and/or eligible student may inspect and review student's education records, and TUSD policies and regulations governing use of those records, by making an appointment with the student's school principal. A copy of state and federal statutes and regulations concerning student records is available for reasonable inspection in the Office of the Superintendent or designee, 1010 E. 10th Street, Tucson, Arizona. A list of the types of records maintained, and an explanation of any record, will be provided by appropriate TUSD personnel upon request.

Federal law assumes that both parents are equally entitled to review their child's records. If there is a custody order in place that prohibits the provision of this information to one parent, please provide TUSD with a copy of the custody order, signed by a judge.

Such a request must be in writing to the student's school principal, must clearly identify the part of the record they want changed, and must specify why it should be changed. If TUSD, decides not to amend the record as requested by the parent(s) and/or eligible student, TUSD will notify the parent(s) and/or eligible student of the decision, and the parent(s) and/or eligible student may further request a hearing regarding the request for amendment, as provided by federal and state statutes, rules and regulations.

3. **The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent.**

TUSD must obtain the written consent of the parent or eligible student prior to releasing personally identifiable information from the education records of a student, except in circumstances where federal and state law authorize disclosure without consent, such as disclosure to school officials with legitimate educational interests. A school official is a person employed by TUSD as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a Governing Board member; a person or company with whom TUSD has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, schools will disclose education records, without consent, to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. **The right to file a complaint with the U.S. Department of Education concerning alleged failures by TUSD to comply with the requirements of FERPA.**

Any complaints arising from an alleged violation of these rights may be submitted to the Superior Court of Pima County, Arizona, or to:

Directory Information

FERPA requires that TUSD, with certain exceptions, obtain a parent's/guardian's written consent prior to the disclosure of personally identifiable information from your child's education records. However, TUSD may disclose appropriately designated "directory information" without written consent, unless you have advised TUSD to the contrary in accordance with TUSD procedures (see Regulation JR-R, Student Records). The primary purpose of directory information is to allow TUSD to include this type of information from your child's education records in certain school publications, such as:

- ▶ The annual yearbook;
- ▶ Honor roll or other recognition lists;
- ▶ Graduation programs; and
- ▶ Sports activity sheets showing weight/height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want TUSD to disclose directory information from your child's education records without your prior written consent, you must notify TUSD on TUSD Form 274, prior to October 1st. TUSD has designated the following information as directory information:

Name, address, parent or guardian telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees (diplomas) and awards received, the most recent previous educational agency or institution attended by the student, personally identifiable photographs, videotapes, films and other visual media, personally identifiable interviews, either audio only or audio and visual, and other similar information.

Under federal law, this information is considered directory information and does not require the written consent of a parent/eligible student to release. If you object to the release of directory information you must notify the principal or designee of the school, in writing, on TUSD Form 274, prior to October 1st. If Form 274 is not received by October 1st, it will be assumed that there is no objection to releasing such information. This procedure shall be done annually. Pursuant to federal law, upon request, TUSD may disclose education records without prior parental/eligible student consent, to officials of another school district in which a student seeks or intends to enroll. For further information, contact the Principal's Office at the school where the student(s) attend in TUSD.
