Notices and Requests for Approval

The District continued to provide the Special Master with a notice and a request for approval (NARA) of actions that affected student assignment and/or its physical plant, including a desegregation impact analysis (DIA). In consultation with the Special Master, the DIA has developed into a standardized format to show how the proposed change will affect relevant District obligations under the Unitary Status Plan. Before submitting a formal notice and request to the Special Master, the District submits a draft DIA to the Special Master and Plaintiffs to solicit feedback prior to the finalization of the DIA and submittal of the NARA. In SY2018- 19, the District submitted the following DIAs/NARAs:

1. Grade reconfiguration at Johnson K-2 school to add 3rd grade (NARA approved on April 22, 2019)
2. Boundary change at Roskrige Two-Way Dual Language Magnet K-8 school. The District developed this proposal during SY2018-19. The Governing Board approved it on July 9, 2019, and the District filed the NARA on July 16, 2019. An order from the Court is pending.
