AVID Digital XP	June 21-23, 2021	Virtual
Summer professional learning also includes community gatherings		
with student and educator speakers, providing daily inspiration and		
motivation, and a new "AVID 101" session for participants who would		
like a stronger AVID foundation before engaging with specialized		
content in their Community of Practice. Thirty different sessions		
were offered ranging from AVID Elective specific to Equity. Catalog		
can be found here:		
AVID Digital XP Workshop Strands		
AVID Site Team Collaboration	June 28-29, 2021	Zoom
Utilizing the AVID Site Team Resources (Continuous Improvement		
Cycle), Site Teams developed their Team Why along with two goals		
for the SY21-22. Collaboration and feedback occurred between		
school feeder patters and school/grade levels.		

*AVID Professional Learning Modules (APLM) are 90-minute sessions, which focus on one aspect of AVID K-12 implementation. They can be used on their own for a short professional learning opportunity, or they can be assembled together to create a full day or multi-day professional learning event. The goal of these modules is to support AVID program staff and District Directors in implementing the AVID College and Career Reading System with fidelity and depth.
