

SCOPE OF SUPPORT BEHAVIOR SPECIALIST WILL:

1. Communicate

- Request/review existing Tier 3 behavior plan, goal, observations, and bi-weekly progress monitoring (2 rounds of data)
- If the above items are not in place, the process is paused
- Review existing Tier 3 behavior plan, goal, observations, and data (must be in Synergy and have 4-6 weeks worth of data)
- Speak with parent/guardian/student

2. Observe

- (2) 1-hour observations within 1 week (we will develop an observation protocol)
- Talk with student

3. Recommend

- Refine and/or provide new strategies for MTSS Plan
- Reconvene team
- Talk with student
- Speak with parent/guardian/student to provide update

4. Monitor and Evaluate

- Follow up observation
- (3 weeks after recommendation) Review MTSS data/plan for updates
