SCHOOL DISTRICT

Junior Techies

Are you a 5th grader that has just promoted to 6th grade or in middle school and want to sharpen your computer skills? In this course you will learn all about Microsoft Word and how to create documents that will impress your teachers! Learn how to navigate Microsoft Excel, create graphs and tables for your science, math, and science fair projects. You will also learn how to use PowerPoint to create impressive slideshows for school projects, book reports and presentations. ***This will be a fun course with no homework.*** Open to students that will be entering 6th, 7th or 8th grade in the 2024-2025 school year.

Please call to join us!
