

Leadership Prep Academy - **BOOST! 2023-2024**

Purpose

The purpose of TUSD's Leadership Prep Academy Principal Boost! is to prepare, develop, and grow our own principal capacity within current TUSD assistant principals who aspire to lead a TUSD elementary or secondary school. Principal Boost! is focused on retaining and building strong, diverse principal candidates to serve in any of the eighty-eight schools in TUSD. Principal Boost! creates a pipeline for qualified internal candidates that will be prepared to enter the principalship.

Overview

Nominations for Principal Boost! must be submitted by candidate's current supervising principal. Candidate must have a minimum of two years assistant principal experience (current year counts) and possess a current Principal Certificate. Candidates must have demonstrated clear and effective leadership qualities as an assistant principal within TUSD. These qualities consist of being a collegial team member, creating and maintaining effective systems which focus on student and adult improvement, clear and concise communication skills, and creating an inclusive learning environment for all students and adults.

Selection Process

Candidates for the Boost! will be selected from those who have been recommended by their principal. The Regional Assistant Superintendents will select the final 10-15 participants.
