FACE INSPIRE Partners SY24-25 (44 partners with descriptions)

Name of Partner Organization:	Partnership Description: How do you envision partnering with us? Please describe your proposed level of involvement, including service time commitment and/or monetary support.
The Good Brothers Project	Education
University of Arizona Center for Rural Health	I currently support families who need health insurance for them and/or children, as well as helping they apply for nutrition assistance. We love to attend events where families might need some of this information, specially if it involves families that have a mixed immigration status.
Children's Advocacy Center of Southern Arizona	With continuing the Education to our TUSD families, supporting them with tools and skills to help their pre teens and teens from getting into risky behaviors and the use of drugs
Sonora Envaironmental Research Institute	I would like to bring information about our programs for low-income families for example, the lead test in homes. lead is one of the danger poisoning ti child's development. We also have a prevention workshop for parents to prevent this poisoning.
General Dentistry 4 Kids	We would love to be a part of your community events to have the opportunity to connect with parents and let them know about our resources.
UArizona Cooperative Extension - Pima County Expanded Food and Nutrition Education Program	We hope to continue our partnership and collaboration the way we have for many years now... we bring our free community nutrition education program to your sites and you provide the space and the community members (adults raising young children/minors) who want to participate... of course, we also teach young students from 5th grade through high school. We also continue to share in the responsibility of providing some paper products and food items for community participants (such as those we use to prepare a recipe during a Food Demo)... Please know that we are incredibly grateful for this partnership and hope we can continue to work together to serve our beautiful community.
La Frontera Center	La Frontera Center Mission is providing innovative solutions to complex problems, we work with community partners to build a safe, strong, and healthy Arizona. La Frontera Center, Prevention Services is employed in various locations, including schools, families and community centers, without any charge. We provide evidence-based prevention programs to children, teenagers, families, and other community members; these programs are implemented through funding from The Governor's Office of Youth, Faith, and Family (Trauma Informed Substance Abuse Prevention Program) grant from AHCCCS, as awarded by SAMHSA.
Pima JTED	JTED can provide information to students and families regarding Career and Technical Education programs offered through Pima JTED.
Pima County Cooperative Extension	Certainly! As a nutrition educator, your partnership could involve collaborating on workshops, webinars, or curriculum development. You commitment might include regular sessions or one-

	time events.
The Primavera Foundation	I look forward to continue the presentations and tabling event to inform your families of much needed services. Primavera stems from Homelessness but not limited to we have shelters, drop-in centers, emergency services to include rental and utility assistance, Project Action of Veterans, a Homeownership program and much more! We enjoy reaching out to the community in anyway we can and appreciate our partnership with TUSD to help us do this. Please let me know if you should have any questions or needs. Respectfully, Lupita Rodriguez
First Things First	First Things First has been working to develop a Pima County Family Resource Guide for families with young children birth to age five. We would love to connect with TUSD Programs to share this resource widely and explore opportunities for further collaboration.
El Rio Health	Promoting El Rio's assistance with Health Insurance enrollment and outreach (Medicaid, SNAP, etc.)
Arizona Children Association	By assisting clients obtain guardianship to enroll the children in school, providing resources and community information
NAMI Southern Arizona	Program Overview: NAMI Ending the Silence is a mental health awareness program designed for middle and high school students, school staff, and parents. The program aims to educate and reduce the stigma surrounding mental health conditions through interactive presentations and personal stories.
DES- Division of Child Support Services	We would love to work alongside TUSD to educate the youth on the various resources that are out there for them. This is especially important for the Highschool youth. So many people are not informed on the many resources that are out there to help them and be used as a preventative resource to hopefully offset some of life's hardships.
African American Museum of Southern Arizona	We hope to continue to collaborate with schools regarding history. Free admission to the museum, setting up tours.
Candelen	We can be at the events for the Family Resource Center providing information about what we do.
UA Mobile Health Unit	Our goal is to provide access to health and prevention services, and promote healthy lifestyle choices to vulnerable, underserved, rural, and homeless communities in Arizona. This is done by bringing free health screenings and health educational workshops to our communities. We offer our services in Southern Arizona (Pima, Pinal, Santa Cruz, Graham, Greenlee, Cochise, Yuma).The services that we provide include glucose and blood pressure screenings, physical measurements (Body Mass Index) and HIV test. Based on the blood pressure and glucose results, we offer additional testing (Cholesterol, Triglycerides, A1C).
Ben's Bells	We want all families and educator to know that we offer support via kindness education and free school program called Kind Campus
Walmart	Donations and volunteering

Arizona Sands Club	We have 9 event spaces in the Arizona Stadium - we would love to host more events to help support any of your programs.
Talk it Out	Collaboration with different departments to provide comprehensive mental health support.
Aviva Children's Services	We envision being a continued partner in service youth in foster care. We would love to assist your foster care coordinator in expanding their reach. We want to see if we can provide surplus items to the TUSD resource centers.
United Way of Tucson and Southern Arizona	We would like to share information and resources about the Family Resource Centers in S. Pima that we have. They are funded by FTF so serve families with children birth -5.
Gospel Rescue Mission/Center of Opportunity	I envision the majority of the categories mentioned above as ways we can participate in one way or the other. We can have further conversations surrounding each one.
Our Family Services	Collaboration around resources, education, and engagement with students, families, and the community.
88-CRIME	Education and collaboration
African American Museum of Southern Arizona	We would like to add the curriculum and share the information at the museum with students and teachers. Also offer internships of students interested in history and the U of A So, education and knowledge sharing, internships and networking as a resource.
DES-Division of Developmental Disabilities	I would love any opportunity to share information to professionals, parents, students on DDD's eligibility, application and services and supports. I am located in Tucson and am available for questions, attendance at and events and provide our DDD Overview to anyone who could benefit from the information either in-person or virtually. I love to learn about all of the other community resources to better assist DDD members and their families. Thank you!
NAMI Southern Arizona	NAMI would be interested in letting people know about NAMI. We offer programs and services at no cost regarding mental health concerns. Our vision is to stop the stigma of mental illness. Mental health is important for academic success and personal growth.
DES- Division of Child Support Services	The Arizona Division of Child Support Services (DCSS) provides services to parents and caretakers who receive child support as well as parents who pay child support. Some of the services include obtaining a child support order, collecting child, medical and spousal support from parents who have a court order, and helping unwed parents establish paternity for their child. DCSS Mission: Provide timely child support services that are in the best interest of the child.

UA Mobile Health Unit	Our schedule is very flexible. The services that we provide include glucose and blood pressure screenings, physical measurements (Body Mass Index) and HIV test. Based on the blood pressure and glucose results, we offer additional testing (Cholesterol, Triglycerides, A1C). After completing health screenings, each participant receives health education focused on their needs and their interests. If participants do not have medical insurance or a defined primary doctor, and their results are out of range, they are referred to a Federally Qualified Health Center (FQHC). Subsequently, if the participant agrees, a follow-up call is completed after one month and/or 3 months to see if they have received medical guidance. We also can provide Narcan kits and educational baggies. The educational baggies include brochures about several health topics. During our events we invite people to follow us on Facebook and Instagram. In our social media we deliver 'Charlas' on different health topics; we also generate posts focused on health, prevention, and well-being.
AZPM	Sweater donations, PBS Learning Media,
First Things First	First Things First is interested in partnering in a capacity that benefits families with young children birth to five. We are excited to explore what this could look like!
First Things First	As Arizona's early childhood agency, we provide services to families of children ages birth to 5. We are looking for ways to refer or be a resource to these families in any way that we can.
TMM Family Services, Inc.	Here at TMM, our housing programs are a crucial part of our mission. The Family Journey Program is a comprehensive two-year transitional housing initiative designed to support single mothers and their children as they navigate the path to independent living. Our program provides a supportive environment where these families can stabilize their lives, rebuild their confidence, and develop the skills necessary for long-term success. With those program goals in mind, we are always looking to expand our reach both to potential constituents, and for our current constituents, to find access to resources for the whole family. While we provide the housing and case management, we reach out to the community to partner for resources and opportunities. We believe that in partnering through INSPIRE, we will be able to amplify our reach as well as add some amazing services and connections to our resource guide for our residents.
Resilient Health Art Awakenings	Counseling services for youth and their families in need, family support, and group art therapy
We Care Tucson	We offer Youth Tech Camps and School Day Out Programs
Child & Family Resources, Inc specifically our prevention department	We would like to provide substance misuse and wellness trainings for parents and educators to support resiliency and prevent substance misuse. We host monthly trainings and wellness series that are free and delivered virtually. We would greatly appreciate an opportunity to post our flyers in the newsletter.
Sheraton Tucson Hotel	

and Suites	
Sonora Behavioral Health	Participating in parent resource fairs. Joining behavioral health staff meetings to inform of Sonora programs and availability.
La Jornada Program through the National Youth Advocate Program	Participate in any community events that you may be holding throughout the 5 regions.
The Force for Health® Network	We would love to provide a starter grant for a group of up to 50 Educators, parents or students to play in our Fit FamilyFORCE Reality Health Games, representing TUSD, our region and our state? This would a 12 week sponsored program and can even be positioned as an easy, healthy, multigenerational fundraiser for the school or district, if needed, also. Would love an opportunity to share more in detail over zoom, or any of your meetings?
Southwest Fair Housing Council	We would love to provide materials and do presentations with community members to empower them with knowledge on their fair housing rights
