- **Objective:** Each meeting participants will leave with a greater understanding of TUSD's Family Engagement Framework and support on how to fulfill the guideline expectations.
- **Goal:** The goal of each participant is to become familiar and comfortable with implementing family engagement opportunities at their site where they can build partnerships with their families to achieve and increase student academics from school to home.
- **Meeting Locations:** TBA, we plan on hosting meetings in person. We will send outlook invites 2 weeks prior to the meeting with location information.
- **Title I:** We will continue to collaborate with Title I to organize and plan meetings.
