NOTE: The reported number of high school students participating in the Fine Arts category in the Synergy student information system was 72. This figure suggests a significant underreporting. For comparison, Fine Arts participation annually since SY021-2022 ranged from 403 to 707 students. The District acknowledges this incomplete data entry error and is implementing measures to ensure all student participation data is accurately entered into Synergy starting in the 2025-2026 school year.

* Students are counted once within each activity category regardless of number of activities within that category.

** A student may be counted more than once in the total for participating in more than one category of activity.
